The Stations Of The Cross:

The New Stations of the Cross Megan McKenna, 2007-12-18 One of today's most popular and respected Catholic writers presents the first guide to the new Stations of the Cross reflecting the revisions made by Pope John Paul II. A traditional devotion for Catholics for more than four hundred years, the Stations of the Cross commemorates the route Jesus traveled from being sentenced to death, crucified, and then buried in a borrowed tomb on the outskirts of Jerusalem. In the past, the devotion included a number of stations based on popular stories of piety and devotion but not mentioned in the Gospels. Over the past eight years, however, Pope John Paul II has made substantial changes to the devotion in his Good Friday celebrations of the stations, removing those not found in the Bible and replacing them with stations that more accurately follow scriptural accounts of Christ's passion. The revised Stations of the Cross focuses on the condemned Jesus and on the community walking the way with him to the cross. Unrelieved by stories like Veronica's wiping blood off the face of Jesus and his meeting with his mother, this is a story of an execution. The new stations deal directly with the pain, suffering, betrayal, and injustice to which Jesus was subjected. In explaining his reasons for revising the stations, the Pope has said that the alterations are intended to serve as a model for other devotions and to encourage the return to the Scriptures as the source of and inspiration for contemporary worship. In this helpful, authoritative guide, Megan McKenna presents the fourteen new stations with the scriptural passages that Pope John Paul II uses on Good Friday. She also provides a basic introduction to the practices and reflections on the importance of the devotion for present-day Catholics and Episcopalians.

Pocket Guide to the Stations of the Cross Edward Sri, 2022-02-01 Encounter the passion of Christ in a deeper and more meaningful way. See a sneak peek of the reflections from the book. Yet here is the great mystery: Jesus holds up this terrible means of death as the very secret to finding fullness of life. Why? Because the mystery of the Cross is the mystery of self-giving love. On the Cross, the God who is love reveals most fully, not only his love for us but also the love to which we are called, the total love for which we were made.

Dr. Edward Sri's **Pocket Guide to the Stations of the Cross** invites Catholics to discover the depths of Christ's love shown to us by his passion and death. In this beautiful book, readers will find a guide to accompany them and help them meditate on Christ's Passion. Edward Sri, author and presenter of the popular Ascension studies **No Greater Love** and **A Biblical Walk Through the Mass**, explains the origins of this ancient devotion and gives powerful, original meditations for each station. Within this small but impactful book, Catholics will encounter gorgeous classic artwork for every station to help meditate on the passion of Christ.
