The Storm Knights Torg Ser:

No Quarter Given West End Games, Incorporated, 1993 **Into the Storm** Larry Correia, 2015 A knight of Cygnar follows a strict moral code His integrity is beyond reproach He holds himself to the highest standards whether dealing with friend or foe And he values honor above all The year is 606 AR and Cygnar has been sorely pressed by its enemies both at home and abroad In Caspia the conflict with the Protectorate is about to erupt into full war with the looming invasion of Sul The Cygnaran military is desperate for soldiers with the skill strength and bravery to take up the devastating galvanic weaponry of the new Storm Division In this climate every soldier is valuable even those fallen from the honor expected of a Storm Knight A group of such men thieves drunkards and worse comprise the Sixth Platoon All they need is someone to lead them Lieutenant Hugh Madigan a peerless warrior knighted during the reign of deposed King Vinter IV has spent years in obscurity punished for his loyalty to the former king Now he has been ordered back to the front and given command of the Sixth his task to turn a platoon of miscreants into elite soldiers fit to be called Storm Knights Time is short and war is coming One way or another Lieutenant Madigan must lead his men into the storm The Storm Knight Frederick Escreet Smith, 1968 **The Storm Knight** Frederick E. SMITH, 1992 **A Song in the Storm** Riley Knight, 2025-03-26 **Dark Skies** Zachary Watson, 2023-01-23 My name is Ashe and I m one of millions of Imperial Conscripts Like everyone else I just want to get through my term with as few demerits and as much excitement as possible That way I d actually have a good chance to get into a proper Academy and not have to go with my back up plan of joining a minor Strike Wave league as a goalie prospect You d think that would be easy considering how many people manage it all the time Sadly I ve got a disadvantage that not many in the Empire share I m Human Not even halfway through my term of service and I ve already been assigned to more units than most conscripts will in their entire career If I m not being mocked for my appearance I m not believed when I try to point out corruption and problems All I want is a calm assignment an understanding squad and a peaceful couple of years I might have even gotten it if we hadn t been assigned to Oshflara a multi species colony with a long history of rioting smuggling and more cross cultural problems than I could even begin to list Now I ve got to balance loyalty to my team faith in the Empire and my need to know exactly what s going on in this mess of a city If I can pull it off it ll show off my investigative skills in the best way possible If I can t I can only hope I ll survive it *Into the Storm* Ed Stark, 2018-09-20 **Hurricane** Zachary Watson, 2025-07-15 **Thunder Snow** Zachary Watson, 2024-11-12 Home It is strange how that word is so short in every language that I know yet means so much After two years spent as a captive or on the run through the wilds of the Far Reaches I am finally going home Finally able to embrace my friends finally able to relay the information we have been carrying for so many months If we could just have a few weeks a few months to plan to prepare maybe we could end this cleanly but I know better The Faithful are still out there still hunting us They will not forgive not forget the insult we offered in our escape The members of their cult we killed on our way out The vital intelligence we bring

to the Empire to the Dual Kings to the Ark Fleet To every nation of the Compact They know that so long as we re alive we can spread the stories of what they ve done Can warn the galaxy of what they are I am home but I fear I will have little time to enjoy it for there remains too much work to be done **Song in the Storm** Riley Knight,2025-03-26
