

Blodeuwedd made Llew so tall her love for him was to be killed (this was one of his curses from his mother). He could be killed indoors or outdoors, or by walking or riding, he cannot be killed clothed or naked, nor by any weapon lawfully made.

With the help of Gwynedd and Math, Llew was able to rid himself from Gwynedd and Blodeuwedd. Blodeuwedd was so scared, she immediately fled to the mountains. However, Llew caught up with her and turned her into an owl - which is feared by all other birds and is a creature of the night. She would not be able to show her face in the light of day again.
