

# The Story Of Sweden

**Victor Alfred Nilsson**

## **The Story Of Sweden:**

**A Short History of Sweden** Ragnar Svanstrom, 2008-11 Originally published in 1934 PREFACE AT the conclusion of the World War when there were so many readjustments to be made and when the need for strengthening Swedens connexions with the West in various ways was urgently felt an investigation was set on foot in London with a view to ascertaining how in the sphere of culture this end could best be attained and a comprehensive plan of work was drawn up covering several years This investigation also involved an inquiry into what instruction about Sweden was available for the rising generation in British schools and universities The results were as surprising as they were disappointing The information obtained indicated that there was very little being done in this field and that what was written on the subject was often misleading or uninformative although in general the feeling with regard to Sweden appeared to be friendly No one will deny that for the proper understanding of the cultural life of a people it is essential to have some knowledge of its historical development of its particular problems at the present day and of the main outlines of its literature There appeared to exist however no work to which the youth of England could turn for information of this kind regarding Sweden and accordingly the Anglo Swedish Literary Foundation made it one of its first tasks to fill the gap that had thus been made manifest As originally drawn up the scheme included works on Swedish literature and art as well as on Swedish history The late Professor J G Robertson of London University undertook to prepare an Outline of the History of Swedish Literature but at his much regretted death he had only been able to write part of this history Arrangements have however been made for its completion and it is hoped that it will be ready for publication in the near future An account of the History of Swedish Art was further contemplated and negotiations were entered into for its preparation but have had to be deferred for the present owing to lack of funds The third part of the scheme was a volume on Swedish History and arrangements for this had already been completed before it was known that other books in English on the same subject were about to appear The present work however is on a different plan from these and should serve a different purpose It gives a proportionally larger space to modern history and modern Sweden than is usual in ordinary historical summaries It is also intended not so much for the professional historian as for the general public and more especially for younger readers hence the Foundation is particularly desirous that the book should find a place in the public libraries of Great Britain and the Empire The Board of Education which was at the outset in formed of our plan has given its encouragement to the present undertaking The invitation to prepare this historical outline was originally extended to Professor Nils Ahnlund of Stockholm University When he however found himself unable to undertake the work owing to lack of time he recommended in his stead Mr Ragnar Svanstrom Licentiate of Philosophy and Baron C F Palmstierna Doctor of Philosophy both of the University of Stockholm Professor Ahnlund has however been kind enough to make some valuable suggestions for the treatment of the period covered by Mr Svanstroms manuscript which here appears in a somewhat abridged version pp 1 188 The later sections pp 189 431 have been written by Dr Palm stierna who has also

contributed parts of the chapter on Gustav II Adolf The drafts for the maps in this volume have been supplied by Gencralstabens Litografiska Anstalt **A History of Sweden** Ingvar Andersson,1956 From Stone Age settlements to the middle of the 20th century shows the formative contribution of political and social conflict economic development and popular pressure and the arts A well sifted synoptic account of Sweden s history **The Early History of Sweden** Sir Henry Hoyle Howorth,1881 *The Story of New Sweden* New Sweden (Me.),1896 **The History of Sweden** Christopher Hughes,2020-05-25 Unveil the legacy and history of Sweden like never before Sweden is a remarkable place famous for its happy population its fearsome Viking history and the beautiful fjords and landscapes that mark this far flung land But the true story of Sweden goes far deeper than that imbued with mighty tales of kings and devastating wars a rapid and life changing industrialization and a journey to the peaceful happy and wealthy place that it is today This book explores Sweden in an all new light offering a detailed glimpse at everything from its ancient history and the Neolithic people who spent their lives hunting reindeer to the powerful kingdoms medieval battles and the enlightenment which paved the way for modern Sweden With an examination of contemporary Swedish culture a look at their political system and reference to their place on the international stage you ll also discover the important figures who shaped the country through the ages This book is a must read for anyone interested in Scandinavia and world history Scroll up and buy now to discover the incredible story of Sweden **Sweden, the Nation's History** Franklin Daniel Scott,1988 Traces the development of Sweden from a poor backward warrior nation to a prosperous modern one *The History of Sweden* , Provides information on life in Sweden during the big migration and expedition periods Discusses the everyday lifestyle of the time in the city of Svitjod and the social roles of women old persons children and slaves Includes details on the abolition of slavery in 1335 Also recounts the development of rune inscriptions and the transition between the old and the new language *A Book about Sweden* Svenska trafikförbundet,1922 *The Story of Sweden* Stewart Philip Oakley,1969 *Short Stories from European History. Sweden. [Illustrated.]* European History,1851 **Sweden** Axel Johan Josef Guinchard,1914 **The National Church of Sweden** John Wordsworth,1911 **The Story of the Walloons: at Home in Lands of Exile and in America** William Elliot Griffis,1923 History of the Walloons the French speaking people of present day Belgium whose ancestors fled to the Netherlands England Sweden and the Americas to flee religious persecution during the Protestant Reformation *New Sweden on the Delaware* Christopher Ward,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **A Brief History of the Colony of New Sweden** Carl David Arfwedson,Julius Friedrich Sachse,1909 **Sweden** Irene Scobbie,1972 **Sweden** Victor Alfred Nilsson,2019-12-18 In Sweden Victor Alfred Nilsson presents a rich tapestry of the country s history culture and natural landscape through a

seamless blend of descriptive narrative and scholarly analysis His literary style is characterized by evocative prose that vividly brings to life the Scandinavian landscape while his analytical approach situates Sweden within wider historical and cultural contexts Nilsson s work eschews mere observation inviting readers to engage with the underlying themes of identity environmental stewardship and the complexities of modern Swedish society As an esteemed historian and cultural critic Nilsson s insights are deeply informed by his academic background and personal experiences living in Sweden His passion for the nation s heritage paired with a strong commitment to exploring the interplay between nature and culture drives his exploration of Sweden s evolution over the centuries This intimate connection with the land fosters a narrative that is as personal as it is universally relevant making his insights resonate well beyond Sweden s borders Sweden is a must read for anyone seeking a profound understanding of this unique country It appeals not only to scholars and students of history and cultural studies but also to general readers yearning to uncover the essence of Sweden s identity Nilsson s masterful storytelling invites readers to connect emotionally with the land and its people making it an essential addition to the library of anyone interested in Scandinavian culture
