The Return of the Storyteller in Contemporary Fiction Areti Dragas,2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions *The Return of the Storyteller in Contemporary Fiction* closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller

are so tangible she physically steps into them At the heart of *The Storyteller's Daughter* lies the legend of the seannachie pronounced shawn aw key the traditional storyteller and myth keeper of the Scottish clans Combining realism and fantasy readers are drawn into a world at once familiar and unsettling Gods and mythical creatures walk in this world brought here by Skye's mother a seannachie who has become spellbound by a story that lets her forget a harsh reality Skye and her two best friends set out on a quest to rescue her even if she no longer wants to be saved *The Richard & Judy Book Club Reader* Dr Helen Cousins, Dr Jenni Ramone, 2013-05-28 In January 2004 daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain from the general reader to publishers to the literati thought about books and reading *The Richard Judy Book Club Reader* brings together historians of the book literature scholars and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's the editors consider issues of book marketing and genre Further chapters explore the effects of the mass broadcast celebrity book club on society literature and its marketing and popular culture Contributors ask how readers discuss books judge value and make choices The collection addresses questions of authorship authority and canon in texts connected by theme or genre including the postcolonial exotic disability and representations of the body food books and domesticity In addition book club author Andrew Smith shares his experiences in a fascinating interview *The Storyteller's Daughter* Saira Shah, 2004-10-12 Imagine that a jewel like garden overlooking Kabul is your ancestral home Imagine a kitchen made fragrant with saffron strands and cardamom pods simmering in an authentic pilau Now remember that you were born in London your family in exile and that you have never seen Afghanistan in peacetime These are but the starting points of Saira Shah's memoir by turns inevitably exotic and unavoidably heartbreaking in which she explores her family's history in and out of Afghanistan As an accomplished journalist and documentarian her film *Beneath the Veil* unflinchingly depicted for CNN viewers the humiliations forced on women under Taliban rule Shah returned to her family's homeland cloaked in the burqa to witness the pungent and shocking realities of Afghan life As the daughter of the Sufi fabulist Idries Shah primed by a lifetime of listening to her father's stories she eagerly sought out from the mouths of Afghan refugees in Pakistan the rich and living myths that still sustain this battered culture of warriors And she discovered that in Afghanistan all the storytellers have been men until now *The Storyteller's Daughter* Saira Shah, 2003 **The Story Tellers' Magazine** ,1917 **Storyteller's Daughter** Cameron Dokey, Jean Thesman, 2002-09-01 When Shahrazad becomes enslaved she must remain cool and calm to come up with a clever plan that will make the coldhearted king see her in a different light in order to change her future *The Storyteller's Daughter* Cameron Dokey, When Shahrazad becomes enslaved she must remain cool and calm to come up with a clever plan that will make the coldhearted king see her in a different light in order to change her future **Book Review Index** ,2004
