Parr, Dr. Tom Crites, 2015-09-02 Do you want your children to be actively serving in the local church when they turn thirty and beyond Why The Stay can help Much has been written about younger adults and their departure from church involvement Concerned parents and church leaders want to know what has caused them to depart Instead of asking why young adults are leaving the church Parr and Crites conducted a national research project of those who grew up in church and are still serving faithfully They studied why they have stayed and the results are compelling You will learn as a parent pastor or church leader specific actions that you can take to make a definitive difference in whether or not the fifteen year olds attending your church now are still attending and serving when they turn thirty You will discover fifteen factors that make a great difference in the likelihood that children and teens will remain in church as adults ten issues that make somewhat of a difference in lifetime involvement five surprises that do not make as
