Wilbricht,2013-11-15 In the course of a teaching and writing career cut too short Mark Searle 1941 1992 provided a worthy contribution to the study of liturgy The breadth of his liturgical interests and his desire to integrate a wide range of academic areas with the study of liturgy mark this scholar as a gifted thinker and author arguably a pioneer In *Rehearsing God s Just Kingdom* Stephen S Wilbricht explores Searle s basic conviction that liturgy represents rehearses and forms in its participants the essential commitments of the Christian community Searle called for the church s liturgy to be embraced as a rehearsal that is performed over and over again and again until it is practiced perfectly in the kingdom of heaven In an age when so much depends on instant gratification and in which institutional commitment is often held in contempt Searle s thinking provides an avenue for liturgical renewal that hinges upon a respect for and trust in ritual forms and behavior Gender Differences and the Making of Liturgical History Teresa Berger,2020-03-26 Mapping uncharted territory in the study of liturgy s past this book offers a history to contemporary questions around gender and liturgical life Teresa Berger looks at liturgy s past through the lens of gender history understood as attending not only to the historically prominent binary of men and women but to all gender identities including inter sexed persons ascetic virgins eunuchs and priestly men Demonstrating what a gender attentive inquiry is able to achieve Berger explores both traditional fundamentals such as liturgical space and eucharistic practice and also new ways of studying the past for example by asking about the developing link between liturgical presiding and priestly masculinity Drawing on historical case studies and focusing particularly on the early centuries of Christian worship this book ultimately aims at the present by lifting a veil on liturgy s past to allow for a richly diverse notion of gender differences as these
