Training In Christianity:

Training in Christianity Søren Kierkegaard, 1964 *Training in Christianity* Søren Kierkegaard, 2004-12-07 This indispensable guide to the search for kinship with God written by a great nineteenth century Danish philosopher whose writings set the stage for existentialism Kierkegaard struck out against all forms of established order including the established church that work to make men complacent with themselves and thereby obscure their personal responsibility to encounter God He considered *Training in Christianity* his most important book It represented his effort to replace what he believed had become an amiable sentimental paganism with authentic Christianity Kierkegaard's challenge to live out the implications of Christianity in the most personal decisions of life will greatly appeal to readers today who are trying to develop their personal integrity in accordance with the truths of revealed religion *Training in Christianity* Søren Kierkegaard, 1960 *Training in Christianity* Søren Kierkegaard, 2006 *The Adelphi*, 1924 *Kierkegaard's Late Writings* Niels Jørgen Cappelørn, Hermann Deuser, K. Brian Söderquist, 2010 *Kierkegaard Studies Yearbook 2010* is comprised primarily of articles by senior Kierkegaard scholars who have been asked to reflect retrospectively on why they became involved with the works of Søren Kierkegaard and to describe the results of the relationship The volume thus contains scholarly essays with a personal point of departure authored by historians philosophers theologians and literary scholars In addition *Yearbook 2010* includes a series of guest lectures by international scholars Articles are written in English and German *Christianity's Unifying Fundamental* Henry Fish Waring, 1919 ***Christian Education***, 1923 *The New Obedience* Bradley R.
