matter and to move from what may be considered passive spirituality to positive assertiveness in our rediscovery of the ideal life By recognizing the power of the mind and the unity of spirit and matter dynamic alchemy progresses from spiritual mysticism to Divine Materialism Creative Principle at work materializing in the world of form which Price points out is wholly sanctioned by the Great Power ordering all things and the Great Thought producing all things It is a spiritual process for those who are ready to assume responsibility for their lives as active co creators
