Viva Max

Arthur G. Pettit

Viva Max:

Viva Max! James Lehrer, 2008 *Quixote's Soldiers* David Montejano, 2010-07-01 In the mid 1960s San Antonio Texas was a segregated city governed by an entrenched Anglo social and business elite The Mexican American barrios of the west and south sides were characterized by substandard housing and experienced seasonal flooding Gang warfare broke out regularly Then the striking farmworkers of South Texas marched through the city and set off a social movement that transformed the barrios and ultimately brought down the old Anglo oligarchy In *Quixote's Soldiers* David Montejano uses a wealth of previously untapped sources including the congressional papers of Henry B Gonzalez to present an intriguing and highly readable account of this turbulent period Montejano divides the narrative into three parts In the first part he recounts how college student activists and politicized social workers mobilized barrio youth and mounted an aggressive challenge to both Anglo and Mexican American political elites In the second part Montejano looks at the dynamic evolution of the Chicano movement and the emergence of clear gender and class distinctions as women and ex gang youth struggled to gain recognition as serious political actors In the final part Montejano analyzes the failures and successes of movement politics He describes the work of second generation movement organizations that made possible a new and more representative political order symbolized by the election of Mayor Henry Cisneros in 1981

Branding Texas Leigh Clemons, 2008-08-15 Ask anyone to name an archetypal Texan and you're likely to get a larger than life character from film or television say John Wayne's Davy Crockett or J R Ewing of TV's Dallas or a politician with that certain swagger think LBJ or George W Bush That all of these figures are white and male and bursting with self confidence is no accident asserts Leigh Clemons In this thoughtful study of what makes a Texan she reveals how Texan identity grew out of the history and even more the myth of the heroic deeds performed by Anglo men during the Texas Revolution and the years of the Republic and how this identity is constructed and maintained by theatre and other representational practices Clemons looks at a wide range of venues in which Texanness is performed including historic sites such as the Alamo the battlefield at Goliad and the San Jacinto Monument museums such as the Bob Bullock Texas State History Museum seasonal outdoor dramas such as Texas at Palo Duro Canyon films such as John Wayne's *The Alamo* and the IMAX *sAlamo* The Price of Freedom plays and TV shows such as the *Tunatrilogy* Dallas and *King of the Hill* and the *Cavalcade of Texas* performance at the 1936 Texas Centennial She persuasively demonstrates that these performances have created a Texan identity that has become a brand a commodity that can be sold to the public and even manipulated for political purposes

Texas Humoresque Charles Leland Sonnichsen, 1990 Humor is serious business for human beings including Texans It is a great resource in time of trouble an effective instrument for getting at the truth

American International Pictures Rob Craig, 2019-03-05 *American International Pictures* was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and

fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company

Pamela Tiffin Tom Lisanti,2015-10-06 Dark haired 60s cult pop icon Pamela Tiffin debuted in *Summer and Smoke* 1961 and was a scene stealing comedienne opposite James Cagney in Billy Wilder's *One Two Three* 1961 before becoming the queen of teenage drive in movies in *State Fair* 1963 *Come Fly with Me* 1963 *For Those Who Think Young* 1964 *The Lively Set* 1964 and *The Pleasure Seekers* 1964 After landing a sexy adult role opposite Paul Newman in *Harper* 1966 she went blonde and ran away to Italy to star in such films as *Kiss the Other Sheik* 1968 *The Fifth Cord* 1971 and *Deaf Smith Johnny Ears* 1973 This thoroughly researched career retrospective pays tribute to the talented Tiffin hailed by Cagney for her remarkable flair for comedy and addresses why she did not achieve superstardom Interviews with co stars including Franco Nero and film historians offer a behind the scenes look at her most popular films
