Vlast I Obshchestvo:

The State and Big Business in Russia Tina Jennings,2021-12-28 This book presents a study of the complex relationship between the Russian state and big business during Vladimir Putin s first two presidential terms 2000 2008 Based on extensive original research it focuses on the interaction of Russia s political executive with the oligarchs It shows how Putin s crackdown on this elite group led big business to accept new rules of the game and how this was accompanied by the involvement of big business in policy formulation particularly through the organisational vehicle of the Russian Union of Industrialists and Entrepreneurs RSPP It goes on to discuss why Yukos and its CEO Mikhail Khodorkovsky were targeted by Russia s political authorities and the resultant consequences namely the end of the relatively successful framework via which state business relations had been managed and its replacement by fear and mutual distrust along with a vastly expanded role for the state and state related actors in the Russian corporate sector The book explores all these developments in detail and sets them against the context of continued trends towards greater authoritarianism in Russia

Contemporary Russia as a Feudal Society V. Shlapentokh,Joshau Woods,2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society

Freedom, Repression, and Private Property in Russia Vladimir Shlapentokh,Anna Arutunyan,2013-09-02 Demonstrates how the emergence of private property and a market economy after the Soviet Union s collapse enabled a degree of freedom while simultaneously supporting authoritarianism

Women's History in Russia Marianna Muravyeva,Natalia Novikova,2014-11-19 This collection of essays all by Russian scholars is the first of its kind to address a broad English speaking audience It presents the theories and methodologies employed by Russian national historiography to make sense of Russian gender and women s history The essays in this volume discuss women s and gender history in Russia highlighting sensitive areas in the Russian academic community and in Russian society in general The book appears in the context of an intense backlash against t

Russia After

the Fall Andrew Kuchins, 2002 Russia's first decade after the collapse of the Soviet Union has been simultaneously tumultuous and transformative For most of the 1990s the Russian economy was in free fall the legal system in absentia and the majority of citizens engaged primarily in survival efforts Not surprisingly the former superpower also struggled to adapt to its greatly diminished means and status Russia after the Fall is a collection of essays by internationally renowned experts on Russian politics economics society and foreign and security policy The volume is comprehensive in its coverage of key topics as well as reflective of contemporary debates on developments in Russia The essays provide retrospective analyses on how Russia has fared in its reform efforts and a prospective look at the challenges ahead This book will be of interest to scholars students and to a general audience seeking to better understand where Russia has been and where it is going Contributors include Anders slund Carnegie Endowment Harley Balzer Georgetown University Clifford Gaddy Brookings Institution James Goldgeier George Washington University Rose Gottemoeller Carnegie Endowment Thomas E Graham Jr Carnegie Endowment Joel Hellman World Bank Stephen Holmes New York University Andrew C Kuchins Carnegie Endowment Anatol Lieven Carnegie Endowment Michael McFaul Carnegie Endowment Martha Brill Olcott Carnegie Endowment Dmitri Trenin Carnegie Moscow Center and Judyth Twigg Virginia Commonwealth University Andrew C Kuchins is the director of the Russian and Eurasian Program at the Carnegie Endowment where he specializes in Russian policy and security issues He is coeditor of *Russia and Japan An Unresolved Dilemma between Distant Neighbors* Berkeley Public Policy Press 1993 **Kritika**, 2006 **Sociological Research**, 2006 Stalinist subjects Brigitte Studer, Heiko Haumann, 2006 Bibliographic Guide to Psychology New York Public Library. Research Libraries, 2000 **Bibliographic Guide to Slavic** Gale Group, 2000-06-09 *After Putin's Russia* Stephen K. Wegren, Dale Roy Herspring, 2010 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of contemporary Russia and the challenges facing Vladimir Putin and his successor Dmitri Medvedev Leading scholars discuss the social political and security issues that confronted Putin as well as his successes and failures in dealing with them The contributors conclude that Putin's influence will continue to be felt for years to come not only because he remains powerful in his new post as prime minister but because he laid the groundwork for dealing with the many problems still confronting Russia Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today *Russian Studies in History*, 2004

Vlast I Obshchestvo Introduction

In the digital age, access to information has become easier than ever before. The ability to download Vlast I Obshchestvo has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Vlast I Obshchestvo has opened up a world of possibilities. Downloading Vlast I Obshchestvo provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Vlast I Obshchestvo has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Vlast I Obshchestvo. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Vlast I Obshchestvo. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Vlast I Obshchestvo, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Vlast I Obshchestvo has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
