Michael J. Hightower, 2013-10-10 This lively book takes Oklahoma history into the world of Wild West capitalism It begins with a useful survey of banking from the early days of the American republic until commercial patterns coalesced in the East It then follows the course of American expansion westward tracing the evolution of commerce and banking in Oklahoma from their genesis to the eve of statehood in 1907 Banking in Oklahoma before Statehood is not just a story of men sitting behind desks Author Michael J Hightower describes the riverboat trade in the Arkansas and Red River valleys and freighting on the Santa Fe Trail Shortages of both currency and credit posed major impediments to regional commerce until storekeepers solved these problems by moving beyond barter to open ad hoc establishments known as merchant banks Banking went through a wild adolescence during the territorial period The era saw robberies and insider shenanigans rivalries between

banks with territorial and national charters speculation in land and natural resources and land fraud in the Indian Territory But as banking matured the better capitalized institutions became the nucleus of commercial culture in the Oklahoma and Indian Territories To tell this story the author blends documentary historical research in both public and corporate archives with his own interviews and those that WPA field workers conducted with old timers during the New Deal Bankers were never far from the action during the territorial period and the institutions they built were both cause and effect of Oklahoma's inclusion in national networks of banking and commerce The no holds barred brand of capitalism that breathed life into the Oklahoma frontier has remained alive and well since the days of the fur traders As one knowledgeable observer said in the 1980s You've always had the gambling spirit in Oklahoma Schwann Long Playing Record Catalog ,1969 *Forthcoming Books* Rose Arny,1999-08 **Contemporary Musicians** Julia Rubiner,1993-05 Contemporary Musicians provides comprehensive information on more than 4 500 musicians and groups from around the world Entries include a detailed biographical essay selected discographies contact information and a list of sources Bowker's Complete Video Directory, 1999 ,1999 **Schwann Long Playing Record Catalog** ,1960 Stereophile ,1995 *The British Catalogue of Music* ,1973 **High Fidelity** ,1970-07 Contains Records in review The Gerry Mulligan collection Gerry Mulligan,2005 Artist Transcriptions 14 signature songs for baritone sax including Bernie's Tune Chelsea Bridge Five Brothers Line for Lyons My Funny Valentine Out of Nowhere Song for Strayhorn Walkin' Shoes and more Includes a bio and discography on Mulligan *The Long Player* ,1956 *Subject Guide to Books in Print* ,1996 **Jazz'n Pops** ,1958 **The Instrumentalist** ,2005 **Audio Catalog** Suburban Audio Visual Service (La Grange, Ill.),
