White Masai:

The White Masai Corinne Hofmann, 2007-10-02 The runaway international bestseller is now an American must read for lovers of adventure travel writing and romance Corinne Hofmann tells how she falls in love with an African warrior while on holiday in Kenya After overcoming severe obstacles she moves into a tiny hut with him and his mother and spends four years in his Kenyan village Slowly but surely the dream starts to crumble and she hatches a plan to return home with her daughter a baby born of the seemingly indestructible love between a white European woman and a Masai Compulsively readable *The White Masai* is at once a hopelessly romantic love story a gripping adventure yarn and a fine piece of meticulously observed social anthropology

The White Masai Corinne Hofmann, 2005 This page turning tale puts an African spin on Not Without My Daughter when a woman abandons her business family and own country to follow a Masai warrior 8 page color photo insert

Ethno-erotic Economies George Paul Meiu, 2017-10-10 In *Ethno Erotic Economies* anthropologist George Paul Meiu looks at how fantasies of sexual difference create what we think of as ethnicity in a globalized world Meiu draws back the curtain on a fascinating case of sexual tourism in Coastal Kenya in which young men deploy stereotypes of African warriors to establish transactional sexual relationships with foreign women Meiu s deep familiarity with Samburu culture allowed him to explore the long term effects of the sex trade on things like intimate affiliations kinship ritual gender and age in rural Kenya What happens to communities when wealth becomes concentrated in the hands of its young men How do these men seek to convert fast money into traditional lasting forms of prestige to become elders and thus secure higher moral and social standing And crucially how do others not privy to the sexual encounters themselves understand the circulation of new money Meiu s exceptional skills as an ethnographer yield riveting testimonies from all quarters of Samburu society resulting in a compelling look at how intimacy and ethnicity come together to shape the pathways of global and local trade in the postcolonial world

[Great Expectations](#) Jonathan Skinner, Dimitrios Theodossopoulos, 2011-10-01 The negotiation of expectations in tourism is a complex and dynamic process one that is central to the imagination of cultural difference Expectations not only affect the lives and experiences of tourists but also their hosts and play an important part in the success or failure of the overall tourism experience It is for this reason the authors argue that special attention should be given to how expectations constitute and sustain tourism The case studies presented here explore what fuels the desires to visit particular places to what degree expectations inform the experience of the place and the frequent disjunctions between tourist expectations and experiences Careful attention is paid to how the imagination of the visitor inspires the imagination of the host and vice versa how tourists and host communities actively imagine re imagine and shape each other s lives This realization has profound consequences not solely for academic analysis but for all those who participate in and work within the tourism industry

Africa, My Passion Corinne Hofmann, 2014-01-15 In an exquisite personal pilgrimage Corinne Hofmann delves into the slums of Nairobi to uncover the heart warming and heart breaking stories of unforgettable people

and places then treks 500 miles across the Namibian desert to discover the lives of the nomadic Himba people. Joined by her half Kenyan daughter Napirai they travel to Nairobi together for the first time to discover Napirai's roots and finally meet her father and half siblings.
