Greta van der Rol,2013-11-06 New York s concrete jungle hides predators more dangerous than tigers New York is no place
for a tiger especially not for Sally Carter a weretiger living quietly with her husband Ash But when Sally discovers a white
tiger imprisoned in a Harlem basement and forced to guard a heroin stash she risks everything to set it free Her daring act
draws the attention of journalist Dave Gardner whose hunt for a drug baron s empire has already put him in over his head
His reckless pursuit drags Sally and Ash into the fight and suddenly the weretiger couple are facing a ruthless enemy who
will stop at nothing for revenge From New York s dark underworld to the forests of North Carolina Sally and Ash must use
their claws cunning and courage to protect Dave and themselves before the hunt turns fatal White Tiger is a fast paced
paranormal thriller of action danger and the raw untamed power of the tiger As well as being a great read I learned more
about tigers than I knew before The plot has a few twists and turns that kept me flicking to the next page on my kindle app as
I needed to find out what was going to happen next One of the things I liked most about the book and its predecessor is the
fact that van der Rol lets her tigers be tigers There is no pretense of big cats being simply well big cats of the domestic
variety They are savage and merciless and they kill when necessary [White Tiger](#) Marie Joe,2020-07-13 White Tiger
