

Occupational Deviance

- White-collar crime committed by employees for individual gain is usually less costly than that committed by corporations, but still far more costly than street crimes
- It is estimated that as many as 60% of American employees may steal from their employers if the opportunity is presented
- *Embezzlement*: stealing of money; costs as much as \$27.2 billion in one year (commercial banks lose five times as much to embezzlers as armed robbers).
