White Lotus:

The White Lotus Teachings in Chinese Religious History Barend ter Haar,2021-09-13 This book provides a new hypothesis for understanding the real nature of the term White Lotus Teachings The author argues that there are actually two different phenomena covered by similar terms from c 1130 until 1400 a real lay Buddhist movement existed which can be called the White Lotus movement It enjoyed the respect of contemporary literati and religious elites The movement used the autonym White Lotus Society which came to be prohibited in the early Ming and was discarded as a result After 1525 the name reappeared in the form White Lotus Teachings but now only as a derogatory label used by officials and literati rather than by believers themselves As a result of this hypothesis the history of the White Lotus Teachings changes from one of religious groups and magicians into one of elite ideology and religious persecution The book is therefore important both for historians and anthropologists of Chinese religion and society and for comparative historians interested in the ideological and social construction of heterodoxy

White Lotus John Hersey,2019-09-04 Not too far from now in a world very like our own the oppressors have changed places with the oppressed After their defeat in the Yellow War the white people of America are thrust into a brutally altered reality They are hunted like wild beasts and drive like cattle transported in reeking ships and sold to their conquerors as field hands and house slaves Robbed of their old names and their old language treated with a mixture of cruelty and condescension by their Chinese masters whites take on new identities and new strategies of survival Some like Nose plunge into dissipation Others like Top Man become imitation Yellows And some like White Lotus rebel In this mesmerizing book John Hersey creates an alternate history that casts a harsh radiance on our own It has some of the stateliness of Exodus along with the power of oral narratives of slavery It has heroes and victims and villains who turn out to be victims of another color At once a masterpiece of storytelling and a complex novel of ideas White Lotus compels us to reexamine our notions of race and racism freedom and oppression

White Lotus Jamgon Mipham,2015-09-01 The commentary translated in these pages is unusual and rare But if the commentary is a rarity its subject matter the seven line invocation of Padmasambhava is one of the best known prayers in the Tibetan Buddhist world The overall significance of the Seven Line Prayer is perhaps best appreciated in relation to a practice called guru yoga or union with the nature of the guru The purpose of guru yoga is to purify and deepen the student s relationship with his or her teacher It is introduced as one of the preliminary practices and it remains crucial in fact its importance increases as one progresses through the more advanced levels of the tantric path The cultivation of devotion to the guru and the blending of one s mind with his or her enlightened mind is in the words of Dilgo Khyentse Rinpoche the most vital and necessary of all practices and is in itself the

surest and fastest way to reach the goal of enlightenment Regarding the origin of this commentary Mipham refers in the colophon to an event that triggered the abrupt appearance in his mind of the hidden meaning of the prayer It is interesting to note that the language Mipham uses suggests that the commentary itself is not an ordinary composition but perhaps a treasure teaching specifically a mind treasure or gongter *The Handbook of Tibetan Buddhist Symbols*, 2003 Based on the author's previous publication *The Encyclopedia of Tibetan Symbols and Motifs* this handbook contains an array of symbols and motifs accompanied by succinct explanations It provides treatment of the essential Tibetan religious figures themes and motifs both secular and religious Robert Beer offers a compact concise reference work based on his previous publication *The Encyclopedia of Tibetan Symbols and Motifs* This handbook contains an extensive array of symbols and motifs accompanied by succinct explanations It provides treatment of the most **The White Lotus Society** Ji Zhang, 2020-05 Handscroll Ink on paper 755cm width 22cm height The painting recounts the story of Master Huiyuan of the Eastern Jin Dynasty establishing the White Lotus Society in the Donglin Temple at Mount Lu The White Lotus Society was a social organization that originated from the doctrines of ancient Chinese religion The teachings of the Society included paying respect to the Buddha chanting scriptures and pursuing the afterlife in the Buddhist Pure Land in the west Because the white lotus serves as a symbol of the Buddhist Nirvana and there is a lotus pond at the Donglin Temple the society was named for the white lotus growing there In painting the figures Zhang adopted the classical line drawing style which produced lively images In painting the rocks he first outlined the basic composition with ink then applied texture strokes reflecting a perfect balance between dark and light and presenting the depth of the gorge the serenity of the path and the steepness of the rocks In painting the trees he used thick brushes for the trunks and thin brushes for the branches and leaves in a style known as falcon talons By applying such techniques the trees are rendered vigorous yet graceful *The Idyll of the White Lotus* Mabel Collins, 1919 This Is A New Release Of The Original 1919 Edition *White Lotus* Libbie Hawker, 2016-12-26 In the fifth century BCE Egypt is the greatest civilization known to mankind But with a foolish king on its throne the Nile Valley is ripe for conquering Amid this climate of danger and strife in the alleys and brothels of Memphis an extraordinary young woman comes of age To spare her siblings from starvation Doricha is sold into prostitution But she has gifts beyond mere beauty Through wit and determination she works her way into the realm of the hetaerae courtesans of exceptional refinement As a hetaera Doricha has access to the schemes and negotiations that shape the world But the rich and powerful also have access to her and Doricha soon finds herself in the Pharaoh's harem caught up in his reckless plans When the Pharaoh sends her off to his fiercest enemy thinly cloaked by a dangerous ruse Doricha must become a double agent if she hopes to survive Caught between the Pharaoh and the Persian king Cambyses it is Doricha once a slave now a woman of great but secret power who will determine Egypt's fate Blending ancient fable with true history *White Lotus* brings Egypt's downfall to life **The idyll of the white lotus, by M.C. by M.
