White Night Of St Petersburg:

The White Nights of St Petersburg Geoffrey Trease,1987 The White Night of St. Petersburg Michel (Prince of Greece),2004 His swift banishment to the far reaches of the vast Russian empire changes his life forever he ll never have a home again and is moved about the realm like a pawn to prevent his tarnishing of the family name Jacket **White Nights** Fyodor Dostoyevsky,2024-03-07 White Nights is one of Dostoyevsky s shorter works told from the standpoint of an ultimate introvert brought briefly out of his shell by love It might have been written 170 years ago but certain aspects of it are very relatable to the modern reader especially to those of us who gravitate toward solitude and introversion Eight White Nights André Aciman,2010-02-02 A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME Eight White Nights is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three words I am Clara Over the following seven days they meet every evening at the same cinema Overwhelmed yet cautious he treads softly and won t hazard a move The tension between them builds gradually marked by ambivalence hope and distrust As Andr Aciman explores their emotions with uncompromising accuracy and sensuous prose they move both closer together and farther apart culminating on New Year s Eve in a final scene charged with magic and the promise of renewal Call Me by Your Name Aciman s debut novel established him as one of the finest writers of our time an expert at the most sultry depictions of longing and desire As The Washington Post Book World wrote The beauty of Aciman s writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for everyone Aciman s piercing and romantic new novel is a brilliant performance from a master prose stylist **The White Nights** Boris Sokoloff,1959 **White Nights : A New Modern Translation** Fyodor Dostoevsky, Fyodor Dostoevsky was a Russian writer who lived nearly 180 years ago White Nights is one of his most personal works a story that explores the deep loneliness of a man who lives more in his dreams than in the real world Because of its age many English translations are difficult to read today They rely on formal language academic phrasing and long heavy sentences that can distract from the emotional heartbeat of the story This edition was created with a different goal emotional clarity The aim of this translation is to present Dostoevsky s original story in clear modern English Nothing unnecessary was added Complex words were avoided when simpler ones expressed the feeling just as well This is a literal translation staying as close as possible to the original meaning while removing stiff or outdated language The result is a direct look into the mind of the dreamer honest vulnerable and deeply relatable This version is for modern readers who want to experience this classic psychological story without struggling through 19th century academic phrasing These themes of isolation and the search for connection have moved people for generations and it is my hope that they will speak to you just as well **Ghost of the White Nights** L.
