## **Whitehall Tragedy And Farce:**

*Whitehall* Clive Ponting, 1986      *The British Constitution* Anthony King, 2007 In the nineteenth century Walter Bagehot wrote a classic account of the British constitution as it had developed during Queen Victoria's reign arguing that it was not at all what people thought it was Anthony King argues that the same is true at the beginning of this century The author maintains that while the new British constitution is a mess there is no going back now Grappling with the thorniest issues facing the British polity head on he offers a trenchant analysis of the increasingly divergent relationship between England Scotland and Wales in the light of devolution and a devastating critique of the reformed House of Lords The book is a Bagehot for the 21st Century and essential reading for anyone with an interest in the nature and future of British political life

Central Debates in British Politics John Benyon, David Denver, Justin Fisher, 2014-09-25 Central Debates in British Politics focuses on British politics in a changing social economic and institutional context The book explores issues and debates using a variety of approaches and techniques It is written and edited by a team of leading experts who analyse key issues in a highly structured and thematic manner

**The Unfinished Business of Thatcherism** Candace Hetzner, 1999 Uses survey research interviews journalistic accounts novels and historical data to examine the extent to which Thatcherism succeeded in transforming British values in directions supportive of a modern capitalist economy Contends that Thatcherism accomplished more with respect to enhancing support for capitalist values such as profit making and private ownership than for values of modernization such as technical expertise Proves that ultimately Thatcherism failed at its cultural revolution because it did not provide a liberal political ideology to buttress its economic ideology Annotation copyrighted by Book News Inc Portland OR

*Governing Britain* Patrick Diamond, 2013-11-27 Number Ten Downing Street and the Cabinet Office are at the apex of power in British government but relatively little is known about the day to day functioning of these great institutions of state With an unprecedented level of access and wide ranging interviews from former ministers senior civil servants and political advisers Patrick Diamond examines the administrative and political machinery serving the Prime Minister and considers how it evolved from the early years of New Labour to the election of the Coalition Government in 2010 Drawing on previously unpublished material Diamond provides a unique analysis which considers the continuing power of the civil service the tensions between permanent officials and political aides and the hard grind of achieving policy change from the centre in Whitehall By exploring the ideological beliefs underpinning the policy making process and in illuminating the importance of the British Political Tradition in shaping the institutions and practice of statecraft this book reveals the contemporary realities of government and democracy in practice
