Rebel Streets and the Informal Economy Alison Brown, 2017-02-24 Street trade is a critical and highly visible component of the informal economy linked to global systems of exchange Yet policy responses are dismissive and evictions commonplace Despite being progressively marginalised from public space street traders in the global south are engaged in spatial and political battlegrounds to reclaim space and claim de facto property rights over their place of work through quiet infiltration union power or direct action This book explores rebel streets the challenges faced by informal economy actors and how organised groups are seeking to reframe legal understandings to create new claims to space and urban rights The book sets out new thinking and a conceptual framework for improved understanding of the plural relationship between law rights and space for the informal economy the contest between traditional modernist and rights based approaches to development and impacts on the urban working poor With a focus on street trading the book seeks to reframe the legal context in which modern informal economies operate drawing on key areas of academic inquiry and case studies of how vendors are staking claim to urban rights The book argues for a reconceptualisation of legal instruments to provide a rights based framework for urban work that recognises the legitimacy of urban informal economies the scope for collective management of urban resources and the social value of public space as a site for urban livelihoods It will be of interest to students and scholars of geography economics urban studies development studies political studies and law

Performance and Politics in Tanzania Laura Edmondson, 2007-07-20 In *Performance and Politics in Tanzania* Laura Edmondson examines how politics social values and gender are expressed on stage Now a disappearing tradition Tanzanian popular theatre integrates comic sketches acrobatics melodrama song and dance to produce lively commentaries on what it means to be Tanzanian These dynamic shows invite improvisation and spontaneous and raucous audience participation as they explore popular sentiments Edmondson asserts that these performances overturn the boundary between official and popular art and offer a new way of thinking about African popular culture She discusses how the blurring of state agendas and local desires presents a charged environment for the exploration of Tanzanian political and social realities What is the meaning of democracy and who gets to define it Who is in power and how is power exposed or concealed What is the role of

tradition in a postsocialist state How will the future of the nation be negotiated This engaging book provides important insight into the complexity of popular forms of expression during a time of political and social change in East Africa

Seeing Like a State James C. Scott, 2020-03-17 One of the most profound and illuminating studies of this century to have been published in recent decades John Gray New York Times Book Review Hailed as a magisterial critique of top down social planning by the New York Times this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail sometimes catastrophically in grand efforts to engineer their society or their environment and uncovers the conditions common to all such planning disasters Beautifully written this book calls into sharp relief the nature of the world we now inhabit New Yorker A tour de force Charles Tilly Columbia University **Maendeleo Series**, 1985 *Civil Society and Democratic Development in Tanzania* Andrew S.
