greatest political trial and then in his last years to a unique role as the godfather of post war conservatism This biography is rich in startling new information about Chambers s days as New York s hottest literary Bolshevik his years as a Communist agent and then defector hunted by the KGB his conversion to Quakerism his secret sexual turmoil his turbulent decade at Time magazine where he rose from the obscurity of the book review page to transform the magazine into an oracle of apocalyptic anti Communism But all this was a prelude to the memorable events that began in August 1948 when Chambers testified against Alger Hiss in the spy case that changed America Whittaker Chambers goes far beyond all previous accounts of the Hiss case re creating its improbably twists and turns and disentangling the motives that propelled a vivid cast of characters in unpredictable directions A rare conjunction of exacting scholarship and narrative art Whittaker Chambers is a vivid tapestry of 20th century history *An Un-American Life* Sam Tanenhaus,2007-01 The author charts the story of Whittaker Chambers whose transformation from Communist agent to anti Communist witness climaxed in 1948 when he testified against Alger Hiss a senior U S State Department official in the controversial trial that shook and changed America

**Whittaker Chambers** Richard M. Reinsch,2023-08-22 What Chambers Can Teach Us Whittaker Chambers is rightly remembered for his pivotal role in the electrifying Alger Hiss spy case But as Richard Reinsch reminds us in this volume of the acclaimed Library of Modern Thinkers series Chambers was more than just a government informant he was a profoundly important thinker who grappled with the nature of modern man s predicaments Whittaker Chambers The Spirit of a Counterrevolutionary shows that Chambers s thought posed and still poses a challenge to American conservatism and its typical focus on markets and small government In his journalism essays personal correspondence with the likes of William F Buckley Jr and landmark autobiographical tome Witness Chambers engaged more broadly analyzing the fundamental question of who man is and the classical and spiritual foundations of civilization Defying conventional thinking Reinsch argues that the former Communist spy may have been more right than wrong when he predicted that the West would lose the Cold War While the Soviets Communist system did of course collapse the spiritual and philosophical sickness that Chambers identified Reinsch suggests has not been cured **Notes from the Underground** Whittaker Chambers,1997-09 Ralph de Toledano the Newsweek reporter covering the Hiss trial technically for perjury quickly became close friends with Chambers The two men began exchanging letters in 1949 and continued for the rest of Chambers s life

**Alger Hiss, Whittaker Chambers and the Case That Ignited McCarthyism** Lewis Hartshorn,2013-07-17 This is a consensus challenging history of the Alger Hiss Whittaker Chambers controversy of 1948 to 1950 a criminal case in which Hiss was convicted of perjury after two long trials Chambers claimed that Hiss had passed classified State Department documents to him in 1937 and 1938 for transmittal to the Soviet Union Hiss denied the charges but was found guilty at his second trial the jury could not reach a decision in the first Hiss was not charged with espionage because of the statute of limitations The main focus of this narrative concentrates on the early months of the affair from August 1948 when Chambers appeared before the House

Committee on Un American Activities and denounced Hiss and several others as underground Communists to the following December when Hiss was indicted for perjury The truth emerges as the story unfolds based in part on grand jury records unsealed by court order in 1999 leading to the conclusion that the stories Whittaker Chambers told the authorities and later published about himself and Alger Hiss in the Communist underground are completely fraudulent *Odyssey of a Friend* Whittaker Chambers, William F. Buckley, Jr., 1987 Chambers emerged from the communist Party but did not surrender the conviction by which his very bones had been virtually irradiated that apocalypse menaced Hugh Kenner **Witness Whittaker Chambers** Whittaker Chambers, 1952 **Whittaker Chambers** Sam Tanenhaus, 1999-08-31 **The ^A Claims of Experience** Nolan Bennett, 2019-08-21 Autobiography from Frederick Douglass s Narrative of the Life to J D Vance s Hillbilly Elegy has long been a popular genre that both authors and readers have utilized to understand particular political moments As this book argues such narratives have also contributed to the development of American political thought despite the fact that the field has not taken autobiography seriously as political theory in its own right This book considers the political contexts in which Benjamin Franklin Frederick Douglass Henry Adams Emma Goldman and Whittaker Chambers wrote their autobiographies to better understand not only the political problems to which autobiographical works can be a solution but the broader appeal of such claims of experience to the everyday life of democratic politics **Alger Hiss, Whittaker Chambers, and the Schism in the American Soul** Patrick Swan, 2003 Marking the 50th anniversary of the publication of Whittaker Chambers s spiritual autobiography Witness Swan anthologizes 23 of the best essays ever written on Chambers and Alger Hiss by Leslie Fiedler Arthur Koestler and William F Buckley Jr These writers comment on the two men while expressing their own divergent opinions on the nature of communism and anticommunism liberalism and many other issues *Treasonable Doubt* R. Bruce Craig, 2004 Armed with a wealth of new information Craig examines the controversial 1948 allegations that Communist spies had penetrated the American government and explores the ambiguities that have haunted it for more than half a century *The Witness and the President* K. Alan Snyder, 2017-05-30 Whittaker Chambers and Ronald Reagan two conservative icons Both hold a special place in the minds and hearts of political and cultural conservatives and their names are linked in the history of American conservatism Reagan owes a huge debt to Chambers s reflections on communism and freedom with his autobiography Witness serving almost as the midwife for Reagan s political rebirth He partially repaid that debt when he awarded Chambers with the Presidential Medal of Freedom in 1984 The two men though were opposites in their temperaments and predictions about the future of freedom Chambers was so gloomy about the prospects for the free world that when he deserted communism he stated to his wife You know we are leaving the winning world for the losing world Reagan however never lost his faith that America s future was bright and that the Western world could help promote liberty in nations that were trapped by tyranny and spiritual darkness Which of these two icons was closer to the truth This book examines and contrasts the Chambers pessimism with the Reagan optimism and seeks to

answer that question      **Red Spies in America** Katherine Amelia Siobhan Sibley,2004 The most detailed study of Soviet military industrial espionage during the 1930s 1940s and 1950s spying aimed specifically at acquiring restricted information and materials relating to American industry technology and science      *Testimony of Whittaker Chambers in Mr. Nixon's Office* United States. Congress. House. Committee on Un-American Activities,1948 Testimony of Whittaker Chambers on alleged espionage activities of Alger Hiss Focuses on Chambers alleged history of mental illness and falsehoods contained in his 1937 employment application with the Works Progress Administration      **The Nation** ,1924      *Frontier* ,1952      **The Papers of the Bibliographical Society of America** Bibliographical Society of America,2001      Reel History Robert Brent Toplin,2002 The author makes an argument for clemency in judging Hollywood s interpretations of history and thoroughly investigates its serious limitations and opportunities to construe history
