*Project Resource Manual The CSI Manual of Practice 5/E (EBOOK)* The Construction Specifications Institute, 2004-10-07

This is the leading reference on the organization, preparation and use of construction information and the only one to cover the construction process from planning and design to construction administration. It details the basic practices involved in project delivery systems, cost estimating, construction documents and code compliance. This new edition expands that scope to include information on project conception and project representation. This material combined with a full complement of documents, contracts and forms makes this the single most comprehensive practice reference in the construction industry.

**Complete Guide to Green Building & Remodeling Your Home** Martha Maeda, 2014. In today's economy and in response to the growing awareness of how much damage has been done to the environment in the past, people cannot afford to delay considering ways they can build or remodel their homes to ensure they are green. *Green Building* Anthony C. Floyd, Allan Bilka, 2012. The cutting edge green building projects of today are quickly becoming standard practice for tomorrow. In order for industry professionals to keep up with this trend, they'll need to have a solid grasp on green building and the technologies, market forces and governmental policies that drive it. *Green Building: A Professional's Guide to Concepts, Codes and Innovation* is designed for those seeking a better understanding of current design and building performance issues. Coverage includes straightforward explanations of how buildings and ecosystems can work together, as well as the sustainability concerns, inspiring current regulations. Relevant codes and standards are discussed in depth, with particular attention to the International Green Construction Code. Knowledge is essential for environmentally appropriate and efficient building solutions. Readers of this book will have a better understanding of where the building industry is headed and how to become compliant with green practices and regulations. Check out our app DEWALT Mobile Pro™.
