States Societies Pb:

State-society Synergy for Accountability, 2004 Annotation This paper explores mechanisms to promote good governance by institutionalizing an accountability structure that holds public officials responsible for their actions as public servants Participatory Budgeting in Global Perspective Brian Wampler, Stephanie McNulty, Stephanie L. McNulty, Michael Touchton, 2021 Participatory Budgeting continues to spread across the globe as government officials and citizens adopt this innovative democratic program in the hopes of strengthening accountability civil society and well being Governments often adapt PB s basic program design to meet local needs thus creating wide variation in how PB programs function Some programs retain features of radical democracy others focus on community mobilization and yet other programs seek to promote participatory development Participatory Budgeting in Global Perspective provides a theoretical and empirical explanation to account for widespread variation in PB s adoption adaptation and impacts This book develops six PB types to account for the wide variation in how PB programs function as well as the outcomes they produce To illustrate the similar patterns across the globe four empirical chapters present a rich set of case studies that illuminate the wide differences among these programs chapters are organized regionally with chapters on Latin America Asia Sub Saharan Africa Europe and North America By organizing the chapters regionally it becomes clear that there are temporal spatial economic and organizational factors that produce different programs across regions but similar programs within each region A key empirical finding is that the change in PB rules and design is now leading to significant differences in the outcomes these programs produce We find that some programs successfully promote accountability expand civil society and improve well being but too often researchers do not have any evidence tying PB to significant social or political change **The State of Accountability in the Global South** Sylvia I. Bergh, Sony Pellissery, C. Sathyamala, 2022-11-15 Political leaders and institutions across the Global South are continually failing to respond to the needs of their citizens This incisive book sets out to establish the pathways to and outcomes of accountability in a development context as well as to investigate the ways in which people can seek redress and hold their public officials to account Collections of the Kansas State Historical Society Kansas State Historical Society, 1910 Proceedings of the Louisiana State Medical Association Louisiana State Medical Society, 1896 List of members Monthly bulletin of the Illinois State Dental Society, 1905 **The Journal of the Kansas Medical Society** Kansas Medical Society, 1906 Journal of the Iowa State Medical Society Iowa State Medical Society, 1913 Journal New York State Agricultural Society, 1850 **Transactions of the Kansas State Historical Society** Kansas State Historical Society, 1910 1st 6th biennial reports of the society 1875 88 included in v 1 4 Transactions of the Dental Society of the State of New York Dental Society of the State of New York, 1926 **The Journal of the Michigan State Medical Society**, 1906 **Journal of the Iowa State Medical Society** Iowa Medical Society, 1920 The Journal of the American Medical Association, 1902 **Journal of the American Medical**
