Station Wagon In Spain:

Station wagon in Spain Frances Parkinson Keyes,1967 The Railways of Spain George L. Boag,1923 *Spain's revolution against Franco: The great betrayal* Alan Woods,2019-10-25 The story of the Spanish revolution of the 1930s is quite well known to most people on the left but there is a surprising level of ignorance concerning the events that occurred subsequently History did not cease with the victory of Franco in 1939 And the story of how the Franco dictatorship was eventually brought down by the revolutionary movement of the Spanish workers is an inspiring one Under the most difficult and dangerous conditions Spanish workers launched a strike wave which in its intensity and duration has no parallel anywhere There was nothing remotely like this in Hitler s Germany Mussolini s Italy or Salazar s Portugal This was a genuine revolution which could and should have gone far further than it did If it did not finally succeed that was no fault of the working class The Spanish revolution of the 1970s was shamefully betrayed by the leaders of the communist and socialist parties who entered into an agreement with former fascists in order halt the movement in its tracks Alan Woods participated personally in the last phase of this struggle and was a witness to some of its most decisive moments Using a wealth of documentary material from the time and also new interviews with key participants in the events he tears away the thick veil of lies myths and half truths to reveal what actually occurred With new struggles and challenges on the order of the day in Spain and the rest of the world it is the duty of all conscious workers and revolutionary youth to study the lessons of the past as a necessary precondition for victory in the future This book is an important contribution to a necessary learning process and is obligatory reading for anyone who is interested in the struggle for socialism today *Spain's Cause Was Mine* Hank Rubin,Peter N. Carroll,1999-12-17 In 1937 Hank Rubin a 20 year old pre med student volunteered for service in the International Brigades fighting fascists in the Spanish Civil War In this memoir Rubin recalls the heroics and suffering he witnessed as well as the disappointing treatment he received upon his return **Spain's Lost Jewels: Cuba and Mexico** Thomas Rees,1906 *Nightmare in the Sun - Their Dream of Buying a Home in Spain Ended in their Brutal Murder* Danny Collins,2007-10-31 In September 2002 house hunters Anthony and Linda O Malley from North Wales arrived in Benidorm of Spain s Costa Blanca to bid for a house at auction that they had earmarked for their retirement Within a week of their arrival the couple vanished Alerted by the withdrawal of large sums of cash from the couple s UK bank accounts the Welsh police launched their own missing persons inquiry Daughter Nicola Welch frantic with worry but with no idea of what really happened made an appeal on Crimewatch for her parents to get in touch Six months after the couple s disappearance following emailed ransom demands from a mysterious figure codenamed Phoenix Spanish police recovered their bodies from the cellar floor in a villa in Alcoy The full horrifying story was pieced together in a painstaking investigation The O Malleys had been tricked into viewing the property held captive for five days and forced to hand over the money they d saved for their deposit When they were no longer of use they were disposed of in the cellar of the very house they d hoped would be

their dream home Investigative journalist Danny Collins helped North Wales officers track down the killers in a tense and dangerous search this is what he uncovered
