## **Stationary Ark:**

**The Stationary Ark** Gerald Durrell,2017-02-21 A famed zookeeper reflects on his lifelong love of animals and his decision to build them a home in this memoir by the author of the Corfu Trilogy The first word Gerald Durrell could say with any clarity was zoo Animals were his passion His early years in India were full of routine visits to the local zoo and if his nursemaid attempted to deviate from this routine the result was usually a tantrum Years later when Durrell decided to set up the Jersey Wildlife Preservation Trust which would later become the Durrell Wildlife Conservation Trust he didn't want it to be like other zoos He didn't want a place where animals were simply imprisoned where parents reluctantly brought their children to get sick on ice cream More than a place for entertainment Durrell's zoo needed to be a place for education research and conservation But achieving his goal would force him to question if wild animals really did belong in the care of humans The Stationary Ark is an entertaining and thoughtful look at a career in zookeeping from the man who inspired acclaimed Masterpiece production The Durrells in Corfu which aired on public television This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate

**The Stationary Ark** Gerald Malcolm Durrell,2002 In his zoo in Jersey the author has created a scientific centre for breeding and research which is also a source of entertainment and delight to visitors He tells here how he set out to do something different and of his battles against bureaucracy

**The Ark's Anniversary** Gerald Durrell,2017-02-21 The conservationist whose work inspired Masterpiece production The Durrells in Corfu recounts the early years of the Durrell Wildlife Park At the age of six Gerald Durrell confidently told his mother he would one day have his own zoo She told him it was a lovely idea and promptly forgot all about it But the young naturalist's passion wasn't about to fade away any time soon Written for the Durrell Wildlife Park's twenty fifth anniversary The Ark's Anniversary is the unconventional story of how one man's dream was transformed into the esteemed organization known today as the Durrell Wildlife Conservation Trust dedicated to saving endangered species from extinction In the beginning everyone thought Durrell was crazy to place a zoo on the island of Jersey in the English Channel But that didn't stop people from coming to see him and his menagerie of rare and exotic animals including celebrities like Richard Adams Princess Grace David Niven who presided over the wedding of two apes and Princess Anne who wrote the foreword to this book The Ark's Anniversary is a delightful journey and a celebration of success for anyone who loves the natural world This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate
