Stay With Me Finley Daniels,2024-08-30 Some crushes never die Like the one I ve had on my friend who also happens to be a scorching hot firefighter forever Did I mention that he s my sister s best friend Or that he put me firmly in the friend zone years ago after one amazing kiss So eventually I moved on married my high school boyfriend But just months later I learned my husband betrayed me and became a widow all within twenty four hours Angry hurt and grieving I need all the friends I can get As usual Charlie Fitzgerald steps up big time For years he s been my friend my protector the only other man I ve ever had romantic feelings for Unreciprocated feelings At least that s what I thought but I m staying with him and there s clear evidence that I thought wrong When Charlie finally lets me out of the friend zone the emotional connection is intense and the physical connection is sizzling hot Just when I think we re going to get a happy ending it s ripped away Because Charlie can t see that he s the hero in my story not the villain And it looks like we re both going to lose out on love because of it If you love friends to lovers slow burn best friend s sister this one is for you Stay With Me is the third full length novel in the Elladine Fire romance series Each book in the series is told in the first person dual point of view featuring a different couple While the books may technically be read in any order Finley recommends you read Come Back to Us first since it contains an event that comes to play in most of the other books If you love small town feels smart and strong female main characters with sexy main male characters who fall hard for the women in their lives this series is for you Oh did we mention all the main male characters in the books are either firefighters or police So if you love romance and like a little bit of steam along with it dive into the Elladine Fire series by Finley Daniels today Suggested reading order Just Right prequel novella can be read at any point in the series but takes place several years before Come Back to Us Come Back to Us read as the first full length novel in the series Come Dance with Me Stay With Me Only You and Me releasing November 2024 Stay With Me
