Teaching And The Law:

Teaching Law Robin West, 2014 This book suggests reforms to improve legal education and responds to concerns that law schools eschew the study of justice

Educating Lawyers William M. Sullivan, Anne Colby, Judith Welch Wegner, Lloyd Bond, Lee S. Shulman, 2007-03-09 The Challenge of Educating Lawyers This volume under the presidency of Lee Shulman is intended primarily to foster appreciation for what legal education does at its best We want to encourage more informed scholarship and imaginative dialogue about teaching and learning for the law at all organizational levels in individual law schools in the academic associations in the profession itself We also believe our findings will be of interest within the academy beyond the professional schools as well as among that public concerned with higher education and the promotion of professional excellence From the Introduction Educating Lawyers is no doubt the best work on the analysis and reform of legal education that I have ever read There is a call for deep changes in the way law is taught and I believe that it will be a landmark in the history of legal education Bryant G Garth dean and professor of law Southwestern Law School and former director of the American Bar Foundation Educating Lawyers succeeds admirably in describing the educational programs at virtually every American law school The call for the integration of the three apprenticeships seems to me exactly what is needed to make legal education more professional to prepare law students better for the practice of law and to address societal expectations of lawyers Stephen Wizner dean of faculty William O Douglas Clinical Professor of Law Yale Law School
