Teaching The Scriptures:

The Teaching of Bible Classes, Principles and Methods Edwin Francis See, 1906 **Creative Bible Teaching** Lawrence O. Richards, Gary J. Bredfeldt, 2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God s Word is always relevant the teacher must help students see Scripture s vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God s Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God s Word This newly revised edition makes learning about God s Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God s Word in a way that sticks **Teaching the Bible in the Church** John Bracke, Karen Tye, 2003-01-01 This interdisciplinary conversation combines educational theory with Bible scholarship to help teachers of the Bible move beyond conveying information to revealing the transformative power of the scripture How to Teach the Bible Lucien Coleman, 2003-12-16 The author was conducting a workshop for teachers in a church and was handed a note by a young woman in the workshop The note read I have never taught anything or anyone I don t know how to begin to prepare Can you help Dr Coleman meets scores of teachers just like the young woman He indicates there are men and women who are doing their best but who have serious doubts about their adequacy as teachers of the Bible Wherever you meet them they ask these same questions How can I learn enough about the Bible to have something worth sharing with my class How can I get the members of my class involved in the lessons so I won t have to do all the talking How do you get people interested when they seem so indifferent to Bible study Is there any way to get the class members to study their lessons How do you lead class members to do something about the message of the Bible other than just sit there and discuss it Where can I find out more about teaching methods How do you prepare a teaching plan These workers care deeply about Bible teaching They want to do a good job But they don t quite know how to go about it And that explains the reason for this book Dr Coleman integrates theory and practice in a how to do it book which combines discussions of teaching with skill building exercises He brings the elements of a Bible teacher s conference to the individual who has had no opportunity to attend such a conference At the same time the book may also be used as a textbook for teacher training workshops **How to Study and Teach the Bible** Samuel N. Vass, 1922 *The Monthly paper of Sunday teaching* , 1871 **A five years' course of Bible and Prayer book teaching. Lessons for the first (-fourth) year** , 1894 *The Bible Study Union Lessons* , 1914 **A five years' course of Bible and Prayer book teaching. Lessons for the first (-fourth) year. International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza,Gloria Durka,Kathleen Engebretson,Robert Jackson,Andrew McGrady,2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it as today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world

Bible-Shaped Teaching John Shortt,2014-12-17 The Bible can and should be an environment in which we live and move and have our being an environment in which we are shaped by God in different and interrelated ways As with aspects of our physical environment we may have never noticed many elements of this spiritual environment before or may have only the vaguest sense of their influence While we may be more familiar with certain elements we may not realize the full extent of their influence or be too preoccupied to see how they relate to form the larger whole of how we are shaped This book looks one by one at several ways in which the Bible s environment influences us as people and in particular shapes our beliefs attitudes and practices as teachers in the classroom It is concerned with helping readers to be at one and the same time faithful to our common calling as educators and faithful to the Scriptures as Christians

Effective Bible Teaching James C. Wilhoit,Leland Ryken,2012-09-01 Why does Bible study flourish in some churches and small groups and not in others In this updated edition of a trusted classic two Christian education specialists provide readers with the knowledge and methods needed to effectively communicate the message of the Bible The book offers concrete guidance for mastering a biblical text interpreting it and applying its relevance to life Its methods which have been field tested for twenty five years help pastors teachers and ministry students improve their classroom skills Readers will learn how to develop the big idea of a passage and allow the text itself to suggest creative teaching methods This new edition has been updated throughout and explores the changed landscape of Bible study over the past two decades Readable and interdisciplinary in approach this book will help a new generation of Bible students teach in a purposeful and unified way

evangelical women are least likely to be trained in the areas of teaching and preaching It s a tragic state of affairs given the central value that our tradition places on the Scriptures In this book Jackie Roesse examines the forces both past and present that have discouraged women from becoming trained We ll discover that women are indeed called gifted and mandated in Scripture to herald the Word of God The first half of the book will focus on encouraging women to become as fully equipped as our male counterparts and to use their uniquely female voice in proclaiming truth to other women in various settings outside pulpit preaching But encouragement isn t enough Many women who already teach Bible studies or who desire to teach are in no position to pursue formal studies in a seminary To that end the second half of She Can Teach is dedicated to developing homiletic skills Together we will learn how to study a passage find the main idea and build and deliver a biblical message By the end of this book the reader will be better equipped to proclaim truth through her uniquely female voice to her female audience

How To Teach The Bible David Bergsland,2012-09-03 Often men and women get involved in teaching a Bible study without any real guidance on how to do it It is a serious skill and a dangerous path if you are not called However even if you are not specifically called the Lord can protect and enable you to do it as it should be done by a true Christian This little booklet shares tips and techniques learned in over 38 years of teaching the Bible Learn to teach the bible with the power to transform lives This book has tips and techniques from a man who has been focused on teaching scripture for almost 40 years This is not some wimpy guide but practical instruction on how to allow the Holy Spirit to transform your Bible study into a tool to help your students grow spiritually beyond what they ever expected These techniques will change lives including yours as the teacher
