 Lynching** Jonathan Markovitz, 2004 Between 1880 and 1930 thousands of African Americans were lynched in the United
 States Beyond the horrific violence inflicted on these individuals lynching terrorized whole communities and became a
 defining characteristic of Southern race relations in the Jim Crow era As spectacle lynching was intended to serve as a
 symbol of white supremacy Yet Jonathan Markovitz notes the act s symbolic power has endured long after the practice of
 lynching has largely faded away Legacies of Lynching examines the evolution of lynching as a symbol of racial hatred and a
 metaphor for race relations in popular culture art literature and political speech Markovitz credits the efforts of the
 antilynching movement with helping to ensure that lynching would be understood not as a method of punishment for black
 rapists but as a terrorist practice that provided stark evidence of the brutality of Southern racism and as America s most
 vivid symbol of racial oppression Cinematic representations of lynching from Birth of a Nation to Do the Right Thing he
 contends further transform the ways that American audiences remember and understand lynching as have disturbing recent
 cases in which alleged or actual acts of racial violence reconfigured stereotypes of black criminality Markovitz further
 reveals how lynching imagery has been politicized in contemporary society with the example of Clarence Thomas who
 condemned the Senate s investigation into allegations of sexual harassment during his Supreme Court confirmation hearings
 as a high tech lynching Even today as revealed by the 1998 dragging death of James Byrd in Jasper Texas and the national
 soul searching it precipitated lynching continues to pervade America s collective memory Markovitz concludes with an
 analysis of debates about a recent exhibition of photographs of lynchings suggesting again how lynching as metaphor
 remains always in the background of our national discussions of race and racial relations Jonathan Markovitz is a lecturer in
 sociology at the University of California San Diego
