The Starspangled Beaver:

The Star-spangled Beaver John Harold Redekop,1971 The Star-Spangled Beaver, Edited by John H. Redekop John Harold Redekop,1971 John and Postcolonialism Musa W. Dube Shomanah,Jeffrey Staley,2002-09-19 An exciting collection of essays connecting postcolonialism and the Gospel of John written by a group of international scholars both established and new from Hispanic African Jewish Chinese Korean and African American backgrounds It explores important topics such as the appropriation of John in settler communities of the United States and Canada and the use of John in the colonisation of Africa Asia Latin America and New Zealand The interpreters represent communities of borderland dwellers women in colonised settings minority ethnic groups within colonised centres and others In an era of rapid globalisation increased travel rising diasporic communities and neo colonialism it is crucial that biblical scholars find ways to address this world with critical skill and sensitivity This book fills this need O Say Can You Hear Mark Clague,2022-06-14 A New York Times Editors Choice The fascinating story of America s national anthem and an examination of its powerful meaning today Most Americans learn the tale in elementary school During the War of 1812 Francis Scott Key witnessed the daylong bombardment of Baltimore s Fort McHenry by British navy ships seeing the Stars and Stripes still flying proudly at first light he was inspired to pen his famous lyric What Americans don t know is the story of how this everyday broadside ballad one of thousands of such topical songs that captured the events and emotions of early American life rose to become the nation s one and only anthem and today s magnet for controversy In O Say Can You Hear Mark Clague brilliantly weaves together the stories of the song and the nation it represents Examining the origins of both text and music alternate lyrics and translations and the song s use in sports at times of war and for political protest he argues that the anthem s meaning reflects and is reflected by the nation s quest to become a more perfect union From victory song to hymn of sacrifice and vehicle for protest the story of Key s song is the story of America itself Each chapter in the book explores a different facet of the anthem s story In one we learn the real history behind the singing of the anthem at sporting events in another Clague explores Key s complicated relationship with slavery and its repercussions today An entire is chapter devoted to some of the most famous performances of the anthem from Jimi Hendrix at Woodstock to Roseanne Barr at a baseball game to the iconic Whitney Houston version from the 1991 Super Bowl At every turn the book goes beyond the events to explore the song s resonance and meaning From its first lines Key s lyric poses questions O say can you see Does that banner yet wave Likewise Clague s O Say Can You Hear raises important questions about the banner what it meant in 1814 what it means to us today and why it matters Jousting with John Adele Reinhartz,2024-12-30 The Gospel of John is a book that tantalizes and disturbs in equal measure Its sublime imagery makes spirits soar Its positive portrayal of women such as the Samaritan woman the Bethany sisters and Mary Magdalene tickle the imagination when it comes to the roles of women in the early church Its disparagement of the Jews however reverberates through the long history of anti Judaism and antisemitism to this very day

Adele Reinhartz has been one of the foremost interpreters of the Gospel of John for the past thirty years and more This volume contains a selection of her essays on the Fourth Gospel originally published from 1991 to 2020 The collection focuses on four major themes Essays on Gender consider the Gospel s portrayal of female characters its christological use of female imagery and the possibility of reading social history into or out of the Fourth Gospel Essays on the Jews explore the representation of the ioudaioi and respond to approaches employed by scholars to address the fraught question of anti Judaism The section on Method includes essays that apply different approaches such as trauma theory postcolonial theory and literary and rhetorical criticism to issues in Johannine studies The final section on Ethics considers ethics from two perspectives the ethical stance s that a reader brings to her reading of John and the question of whether the Gospel portrays Jesus as an ethical actor
