The Stepford Wives:

The Stepford Wives Ira Levin, 2011-04-26 The internationally bestselling novel by the author of *A Kiss Before Dying* *The Boys from Brazil* and *Rosemary's Baby* With an Introduction by Peter Straub For Joanna her husband Walter and their children the move to beautiful Stepford seems almost too good to be true It is For behind the town's idyllic facade lies a terrible secret a secret so shattering that no one who encounters it will ever be the same At once a masterpiece of psychological suspense and a savage commentary on a media driven society that values the pursuit of youth and beauty at all costs *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon

The Stepford Wives Samantha Lindop, 2022-01-15 *The Stepford Wives* 1975 occupies an unusual position in cinematic history As is often the case with cult texts the film was both a box office flop and widely misunderstood on release Intended as a feminist diatribe it was derided by Betty Friedan whose 1963 book *The Feminine Mystique* it literalised Even Ira Levin author of the novel from which the film was adapted concedes he was less than enthused with the filmed version Despite this the term Stepford wife has become idiolect for a particular kind of one dimensional upper middle class woman who is figuratively and to some extent literally an automation Indeed one does not need to have seen or even heard of the film or Levin's book to be familiar with the concept This timely study finally gives *The Stepford Wives* the serious scholarly attention it deserves In doing so the significance of the film as a socio cultural and socio political document in its own right is underscored While the intention of this book is to pay homage to Bryan Forbes film it goes far beyond this locating it in the traditions of the gothic the histories of feminism and fictional imaginings about artificial women and the futures of social robots and AI both real and imagined

The Stepford Wives Ira Levin, 2011-07-21 The women of Stepford are not all that they seem All the beautiful people live in idyllic Stepford Connecticut an affluent suburban Eden populated with successful satisfied hubbies and beautiful dutiful wives For Joanna Eberhart newly arrived with her husband and two children it all seems too good to be true from the sweet Welcome Wagon lady to all those cheerful friendly faces in the supermarket checkout lines But just beneath the town's flawless surface something is sordid and wrong something abominable with roots in the local Men's Association And it may already be too late for Joanna to save herself from being devoured by Stepford's hideous perfection

Horror Films of the 1970s John Kenneth Muir, 2012-11-22 The seventies were a decade of groundbreaking horror films *The Exorcist* *Carrie* and *Halloween* were three This detailed filmography covers these and 225 more Section One provides an introduction and a brief history of the decade Beginning with 1970 and proceeding chronologically by year of its release in the United States Section Two offers an entry for each film Each entry includes several categories of information Critical Reception sampling both 70s and later reviews Cast and Credits P O V quoting a person pertinent to that film's production Synopsis summarizing the film's story Commentary analyzing the film from Muir's perspective Legacy noting the rank of especially worthy 70s films in the horror pantheon of decades following

Section Three contains a conclusion and these five appendices horror film cliches of the 1970s frequently appearing performers memorable movie ads recommended films that illustrate how 1970s horror films continue to impact the industry and the 15 best genre films of the decade as chosen by Muir

The Stepford Wives Paul Rudnick, 2003 November 24 2003 draft *Liberalism and the Defence of Political Constructivism* C. McKinnon, 2002-11-05 Contemporary liberal political justification is often accused of preaching to the converted liberal principles are acceptable only to people already committed to liberal values Catriona McKinnon addresses this important criticism by arguing that self respect and its social conditions should be placed at the heart of the liberal approach to justification A commitment to self respect delivers a commitment to the liberal values of toleration and public reason but self respect itself is not an exclusively liberal value
