**Story of King David** David M. Gunn, 1978-08-01 Gunn sets out his aim in this book to foster a fresh understanding of the narrative about David in 2 Samuel and 1 Kings commonly known as the Succession Narrative by arguing for its fuller appreciation of its nature as a story Gunn reviews the different hypotheses on the genre of the so called Court History Succession Narrative and concludes that the purpose of this story is to entertain The work is to be considered primarily artistic and literary and the rhetorical devices in the story are reliant on traditional motifs and devices *The David Story* Robert Alter, 2009-10-21 A masterpiece of contemporary Bible translation and commentary Los Angeles Times Book Review Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary The David Story is a fresh vivid rendition of one of the great works in Western literature Robert Alter's brilliant translation gives us David the beautiful musical hero who slays Goliath and through his struggles with Saul advances to the kingship of Israel But this David is also fully human an ambitious calculating man who navigates his life's course with a flawed moral vision The consequences for him his family and his nation are tragic and bloody Historical personage and full blooded imagining David is the creation of a literary artist comparable to the Shakespeare of the history plays **The Story of King David** David M. Gunn, 1978-01-01

**The Biblical Saga of King David** John Van Seters, 2009-06-30 The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies Does the narrative contain insight into and information about the early history of the Judean monarchy or is it merely a legendary tale about a distant past Can we identify the story's literary genre its sociohistorical setting and the intention of its author's Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative's compositional and text critical history Van Seters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then presents an extended appraisal of the debate about the social and historical context of the biblical story From this critical foundation Van Seters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon **Narrative Analogy in the David Story** Joanna G. Kline, 2024-11-18 Joanna G Kline explores the use of narrative analogy in the biblical story of King David 1 Samuel 16 1 Kings 2 and the narratives about Jacob Judah and Joseph Genesis 25 50 In her analysis the author demonstrates that parallels in plot structure language and motif function to develop characterization and to reinforce significant themes in these texts including sibling rivalry and reconciliation measure for measure punishment and divine providence By examining the genetic relationship between Samuel and Genesis she provides evidence of mutual influence and shows that the analogical links between David and Jacob Judah and Joseph were strengthened as these texts were composed and transmitted over time [The David Story](#) Robert Alter, 1999 The story of David forceful slayer of Goliath is plucked from the Bible and molded into a piece of literature that stands on its own a narrative representation of a human life shaped by the

pressures of political life and family the impulses of body and spirit and the eventual sad decay of the flesh *King David*  
Steven L. McKenzie,2000-04-27 One of the most important and complex characters in the Bible King David has been the subject of innumerable portraits both artistic and literary Michaelangelo's magnificent sculpture of him is perhaps the single best known work of art in the world and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status But was David a real person and if so what kind of person was he Through a close and critical reading of biblical texts ancient history and recent archeological discoveries Steven L McKenzie concludes that David was indeed a real person This David however was no hero but a usurper adulterer and murderer a Middle Eastern despot of a familiar type McKenzie shows that the story of humble beginnings is utterly misleading shepherd is a metaphor for king and David came from a wealthy upper class background Similarly McKenzie reveals how David's ascent to power traditionally attributed to popularity and divine blessing in fact resulted from a campaign of terror and assassination While instituting a full blown Middle Eastern monarchy David was an aggressive leader a devious politician and a ruthless war chief Throughout his scandalous reign important figures who stood in his way died at convenient times under questionable circumstances Even his own sons were not spared David's story writes McKenzie reads like a modern soap opera with plenty of sex violence and struggles for power Carefully researched and vividly written *King David An Unauthorized Biography* offers a provocative reappraisal of the life of one of the Bible's most compelling figures *With Skilful Hand* David T. Barnard,2004-08-25 In this imaginative reinterpretation of the story of King David one of the most complex characters of ancient Scripture is brought to life While remaining faithful to biblical and scholarly resources Barnard brings alive the conflicted personal and cultural matrix of David's life and reign in a compelling manner Catherine Harland Queen's University *David - Bible People* Agnes De Bezenac,Salem De Bezenac,2019-08-15 The story of king David a man after God's heart A boy who showed patience and grew into a mighty warrior and king full of strength and courage David knew that all this came from God Suggested for ages 3-6 For more kids products and downloads visit our website at [www.icharacter.org](http://www.icharacter.org) **The story of David** David (king of Israel.),1893 *The Biblical Life of King David* Freddie L. Butler,2021-11-19 The Biblical Life of King David is the story of the greatest king Israel has ever known It is titled as such because the only source used for this story is your Bible Bible scriptures have been interwoven into the story to encourage group Bible study However the narrative reads like a novel King David had a humble beginning as a shepherd boy Yet God testified regarding the heart of David as having a heart like God Acts 13:22 When reading this story you will become very aware of why God testified this way about David Just to clue you in on three possible reasons King David was quick to repent when he knew he had made a mistake Though King David was accused of having blood on his hands he never killed a person off the battlefield King David's judgements as king were righteous before God I pray that you enjoy reading *The Biblical Life of King David* as much as I enjoyed the study and writing of this story **David, the Story of a King** Lillie Patterson,1985 A retelling of the Old Testament story of David the
