The Strong Man:

The Reality of the Strong Man Dr. D. K. Olukoya, 2020 Jesus came to destroy the works of the devil and his agents To achieve this He had to expose the devil and his methods of operation He does not want us to be ignorant of satan and his agenda as such ignorance could be very costly This book is a deep exposition on one of satan s strongest and most wicked aides the strong man It does a thorough analysis of who he is how he operates and teaches how we can overcome him With the knowledge available to us from this book and the prayer points the strong man will not hinder God s agenda for your life anymore in Jesus name Amen The Strong Man Sean Dorman, 1997 **The Age of the Strongman** Gideon Rachman, 2022-04-07 In The Age of the Strongman Gideon Rachman finds global coherence in the chaos of the new nationalism leadership cults and hostility to liberal democracy We are in a new era authoritarian leaders have become a central feature of global politics Since 2000 self styled strongmen have risen to power in capitals as diverse as Moscow Beijing Delhi Brasilia Budapest Ankara Riyadh and Washington These leaders are nationalists and social conservatives with little tolerance for minorities dissent or the interests of foreigners At home they claim to be standing up for ordinary people against globalist elites abroad they posture as the embodiments of their nations And everywhere they go they encourage a cult of personality What s more these leaders are not just operating in authoritarian political systems but have begun to emerge in the heartlands of liberal democracy While in the West the EU referendum and the election of Donald Trump in 2016 mark a watershed the new era started at the beginning of the new millennium when Vladimir Putin took power in Russia How and why did this new style of strongman leadership arrive How likely is it to lead the world into war or economic collapse And what liberal forces are in place not only to keep these strongmen in check but to reverse the trend With the world in the grip of a global pandemic and on the verge of environmental catastrophe their actions have consequences not just for their nations but for the whole planet From Trump Putin and Bolsonaro to Erdogan Xi and Modi Gideon Rachman pays full attention to the strongman phenomenon around the world and uncovers the complex and often surprising interaction between these leaders In the process he finds the common themes in our local nightmares and offers a bold new paradigm for understanding our world Whilst others have tried to understand the emergence of these new leaders individually The Age of the Strongman provides the first truly global treatment of the new nationalism underpinned by an exceptional level of access to key actors in this drama Gideon Rachman has been in the same room with most of these strongmen and reported from their countries over a long journalistic career **The Strong Man of God** Robert Kelley, 2011-06-01 Being a man is not a freak accident of the cosmos But exactly what is a man There is much confusion over defining manhood both inside and outside the church Men are often made to feel ashamed of their natural masculinity and receive conflicting messages about it from society s primary cultural transmitters the media The result is damaging and degrading and destroys men families and communities The Strong Man of God points men back to their Creator and a clear

uncompromised biblical worldview of his purpose that they become strong men of God in the image of Jesus Christ The Strong Man of God is an easy to read instruction manual to help readers Learn who and what a strong man of God is and how to become one Know God s purpose design and order for the human family in this age Discover the four characteristics of a strong man of God Understand the seven roles a strong man of God plays Find out about the four responsibilities given to the strong man of God Encounter the great woman of God as the strong man of God s counterpart Join with the author as an aspiring strong man of God to passionately labor in the cause of restoring men their families and communities
