The Man Without a Face Masha Gessen, 2012-03-01 National Book Award winner Masha Gessen's biography of a ruthless man's ascent to near absolute power In a country where journalists critical of the government have a way of meeting untimely deaths Gessen has shown remarkable courage in researching and writing this unflinching indictment of the most powerful man in Russia The Wall Street Journal Thanks to fearless reporting and acute psychological insights Masha Gessen has done the impossible in writing a highly readable compelling life of Russia's mysterious president for life Tina Brown The Daily Beast The Man Without a Face is the chilling account of how a low level small minded KGB operative ascended to the Russian presidency and in an astonishingly short time destroyed years of progress and made his country once more a threat to his own people and to the world Handpicked as a successor by the family surrounding an ailing and increasingly unpopular Boris Yeltsin Vladimir Putin seemed like a perfect choice for the oligarchy to shape according to its own designs Suddenly the boy who had stood in the shadows dreaming of ruling the world was a public figure and his popularity soared Russia and an infatuated West were determined to see the progressive leader of their dreams even as he seized control of media sent political rivals and critics into exile or to the grave and smashed the country's fragile electoral system concentrating power in the hands of his cronies As a journalist living in Moscow Masha Gessen experienced this history firsthand and for The Man Without a Face has drawn on information and sources no other writer has tapped This account of how a faceless man maneuvered his way into absolute and absolutely corrupt power is the definitive biography of Vladimir Putin

Putin's Russia Dale Roy Herspring, 2007 A fifth edition of this book is now available This thoroughly revised and updated edition of the classic text provides the most current and authoritative assessment of Russia available Distinguished scholars offer a full scale assessment of Putin's leadership exploring the daunting domestic and international problems facing Russia today Evaluating the regime's continued efforts to rebuild a country in shambles the contributors consider a comprehensive array of economic political and social issues In addition to updated core chapters the book includes new essays on Putin's leadership law foreign policy and the decline of democracy The book concludes that Putin will continue to address his country's problems in an incremental and centralized manner as he moves toward his goal of restoring Russia to the status of a world power

Putin's Kleptocracy Karen Dawisha, 2015-09-22 The raging question in the world today is who is the real Vladimir Putin and what are his intentions Karen Dawisha's brilliant Putin's Kleptocracy provides an answer describing how Putin got to power the cabal he brought with him the billions they have looted and his plan to restore the Greater Russia Russian scholar Dawisha describes and exposes the origins of Putin's kleptocratic regime She presents extensive new

evidence about the Putin circle's use of public positions for personal gain even before Putin became president in 2000. She documents the establishment of Bank Rossiya, now sanctioned by the US; the rise of the Ozero cooperative founded by Putin and others who are now subject to visa bans and asset freezes; the links between Putin, Petromed, and Putin's Palace near Sochi; and the role of security officials from Putin's KGB days in Leningrad and Dresden, many of whom have maintained their contacts with Russian organized crime. Putin's Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates. Dawisha's sources include Stasi archives, Russian insiders, investigative journalists in the US, Britain, Germany, Finland, France, and Italy, and Western officials who served in Moscow. Russian journalists wrote part of this story when the Russian media was still free. Many of them died for this story, and their work has largely been scrubbed from the Internet and even from Russian libraries. Dawisha says, "But some of that work remains." *Putin's Predicament* Bo Petersson, 2021-09-09. Using the Russian president's major public addresses as the main source, Bo Petersson analyzes the legitimization strategies employed during Vladimir Putin's third and fourth terms in office. The argument is that these strategies have rested on Putin's highly personalized blend of strongman image projection and presentation as the embodiment of Russia's great power myth. Putin appears as the only credible guarantor against renewed weakness, political chaos, and interference from abroad, in particular from the US. After a first deep crisis of legitimacy manifested itself by the massive protests in 2011-2012, the annexation of Crimea led to a lengthy boost in Putin's popularity figures. The book discusses how the Crimea effect is, by 2021, trailing off, and Putin's charismatic authority is increasingly questioned by opposition from Alexei Navalny, the effects of unpopular reforms, and poor handling of the COVID-19 pandemic. Moreover, Russia is bound to head for a succession crisis as the legitimacy of the political system continues to be built on Putin's projected personal characteristics and now apparently waning charisma, and since no potential heir apparent has been allowed on center stage. The constitutional reform of summer 2020 made it possible, in theory, for Putin to continue as president until 2036. Yet this change did not address the Russian political system's fundamental future leadership dilemma.

Putin's Progress Peter Truscott, 2005. Vladimir Putin seemed to have come from nowhere when he succeeded the ailing and incompetent Boris Yeltsin as President of Russia in March 2000. It was as if he had taken the Kremlin by stealth, perhaps it was whispered, using the skills he acquired as a senior agent in the KGB. In fact, Putin's rise to prominence owes more to a combination of canny manoeuvring and blat, the traditional Russian system of cronyism and patronage. *PUTIN'S PROGRESS* is the first comprehensive exploration in English of Putin's character and offers many insights into his likely legacy, shedding new light on one of the most enigmatic of modern leaders and what it means to live in Putin's Russia. *Vladimir Putin* Susan Nichols, 2018-07-15. Vladimir Putin is one of the most recognized politicians in the world. Currently, he is the President of the Russian Federation and he is regularly featured by magazines like Time and Forbes as one of the world's most influential and powerful individuals. This captivating biography traces Putin's early years, his education, and his career in the

Soviet KGB Readers will follow his rise in politics and the current role he plays in both Russian and international politics as well as the way he is regarded in the United States *Vladimir Putin* Charles J. Shields,2006 A biography of the third president of Russia Vladimir Putin a relative unknown hand picked by Boris Yeltsin to succeed him **Putin's Revenge** Lucian Kim,2024-12-09 In February 2022 Russia invaded Ukraine in a bloody escalation of a conflict that had begun eight years earlier What drove Vladimir Putin to launch Europe's largest land war since World War II Lucian Kim an on the ground reporter in the region for decades offers a gripping definitive account of Russia's path to war from Ukraine's 2004 Orange Revolution and the 2014 Maidan uprising right up to the full scale invasion He examines the Kremlin's motives tracing Putin's transformation from a seemingly pragmatic leader into an embittered tyrant who saw it as his historical mission to reconquer Ukraine Kim places the war in the broader context of the Soviet Union's collapse arguing that it represents a clash between those who reject the Soviet past like Volodymyr Zelensky and Alexei Navalny and those who still identify with it He debunks the Kremlin narrative that the West instigated the conflict and he instead identifies the root causes of the war in the legacy of Russian imperialism and Putin's dictatorial rule At the same time Kim is critical of the West's empty promises to Ukraine which made the country vulnerable to a revanchist Russia Putin's Revenge features insight from Kim's first hand reporting on key moments such as Russia's occupation of Crimea and the beginning of the Russian backed insurgency in eastern Ukraine This book tells the story of the lead up to the invasion with revelatory detail and fresh analysis shedding new light on a conflict that has roiled the post Cold War order Can Russia Modernise? Alena V. Ledeneva,2013-02-14 In this original bottom up account of the evolution of contemporary Russia Alena Ledeneva seeks to reveal how informal power operates Concentrating on Vladimir Putin's system of governance referred to as sistema she identifies four key types of networks his inner circle useful friends core contacts and more diffuse ties and connections These networks serve sistema but also serve themselves Reliance on networks enables leaders to mobilise and to control yet they also lock politicians bureaucrats and businessmen into informal deals mediated interests and personalised loyalty This is the modernisation trap of informality one cannot use the potential of informal networks without triggering their negative long term consequences for institutional development Ledeneva's perspective on informal power is based on in depth interviews with sistema insiders and enhanced by evidence of its workings brought to light in court cases enabling her to draw broad conclusions about the prospects for Russia's political institutions *Inside the Mind of Vladimir Putin* Michel Eltchaninoff,2017-05-01 In this revealing and engrossing book Michel Eltchaninoff invites us inside the psyche of the Russian president for a better understanding of his doctrine and geopolitical vision He offers answers to an urgent question for our 21st century world what is Vladimir Putin thinking *The Trial of Vladimir Putin* Geoffrey Robertson,2024-03-28 Vladimir Putin's war against Ukraine has cost hundreds of thousands of lives and is fundamentally an attack on democracy Under international law the invasion of a United Nations member state which poses no imminent threat to the invader amounts to the serious crime of

aggression But can Putin be prosecuted And if so will he ever be held to account This remarkable book by one of the world s most celebrated human rights lawyers shows how the Nuremberg trials of Nazi leaders validate the prosecution of Putin Ironically Putin s defence hinges on a doctrine invented by George W Bush to justify his invasion of Iraq which Geoffrey Robertson exposes as contravening international law If Putin fails to attend court Robertson argues that he could be tried fairly in his absence ensuring a verdict that will give pause to China and other countries which look to destroy democracy This brilliant deep dive into international law offers a unique perspective on an unjust war highlighting why democracy is not safe unless Putin can be put at least metaphorically behind bars **We Need to Talk About Putin** Mark

Galeotti,2019-02-21 Meet the world s most dangerous man Who is the real Vladimir Putin What does he want And what will he do next Despite the millions of words written on Putin s Russia the West still fails to truly understand one of the world s most powerful politicians whose influence spans the globe and whose networks of power reach into the very heart of our daily lives Professor Mark Galeotti uncovers the man behind the myth addressing the key misperceptions of Putin and explaining how we can decipher his motivations and next moves From Putin s early life in the KGB to the war with Ukraine his real relationship with the US and his vision for the future of Russia Galeotti draws on Russian sources and explosive unpublished accounts to give unparalleled insight into the man at the heart of global politics Easily the shrewdest and most insightful analysis yet of Putin s policymaking Foreign Affairs Punchy and highly readable TLS Reads like a primer for anyone poised to enter a negotiation with the Russian president The Guardian **(Un)avoidable Conflict in Ukraine** Cristian

Nitoiu,2025-06-26 Taking a conceptual approach to European Russian relations in the post Cold War era this book traces how each side s ideal self came into conflict with fault lines in international politics Russia s 2022 full scale invasion of Ukraine is not only a symptom of conflict taking over the European continent but also a point of no return that will be difficult to roll back Could the state of conflict on the European continent have been avoided To understand the nature and evolution of conflict with Russia this book presents a theoretically informed discussion of the way relations between the European Union EU and Russia deteriorated beyond repair during the more than three decades since the collapse of the Soviet Union First the book develops the concept of ideal self of states and international organisations like the EU which posits that a series of ideal perceptions about how the self should act in the world order drives the behaviour of states and their policymakers Second the book turns to the study of fault lines or spaces of divergence in the world order that harbour the potential for conflict With these two theoretical toolkits the book shows how leaders in the EU and Russia by February 2022 came to view conflict as a feasible preferable and possibly the only option available to them Even though neither the EU nor Russia had desired conflict both made little effort to avoid it As a result the European continent has sleepwalked into conflict with the potential for that conflict to spill over from Europe and escalate beyond a point of no return between the West and its global challengers **Vladimir Putin** Michael Regan,2018-01-01 Introduces readers to the political career of Russian President

Vladimir Putin Engaging infographics thought provoking discussion questions and eye catching photos give the reader an invaluable look into Russia and the office of its current leader **Vladimir Putin: Life Coach** Rob Sears,2018-09-13 What can the rise of this century s most feared politician teach us about life work and love Rob Sears satirises the machinations that enabled Putin to dominate the Kremlin and undermine the United States of America as ways to help you take control of your mundane life Would you like to ruin your enemies by sharing compromising material about that time they didn t wash their hands Fancy hacking democracy at the parent teacher association to ensure you re a shoo in for social secretary Or serving up a cold dish called revenge in a high street restaurant Filled with stories of Putin s extraordinary and chilling actions with mocking ideas and illustrations to help you emulate him on a small scale Vladimir Putin Life Coach is the ultimate parody guide to releasing the pseudo elected judo black belt 5D chess playing autocrat inside each and every one of us *Vladimir Putin and Russia? Imperial Revival* David E. McNabb,2017-07-05 Discerning the early stages of the rebirth of a new Russian empire from the ashes of the Soviet Union Vladimir Putin and Russia s Imperial Revival argues that Russia s recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the Cold War At the least Russia s actions represent the potential for renewal This book explains these developments in a historical context The book begins by describing Russia s initial policy of rapprochement after the collapse of the Soviet Union and its development into a foreign policy of threatened or actual armed aggression It identifies today s Russia as a nation determined to re establish itself as a political and military force As a prominent figure in the development and continuation of its current foreign policy Vladimir Putin plays a central role in the topics covered Previous literature often treats Putin as an individual phenomenon examining his connections to corruption or the secret police but here David E McNabb examines him as the latest in a long history of Russian despots who followed similar expansionist policies He details some of the tactics Putin uses to instill fear and dominate political policies of republics newly independent from Russia These tactics include the use of energy as a weapon cyber terrorism and military support for ethnic Russian separatists in other sovereign nations most recently exemplified by Russia s annexation of Crimea from Ukraine via armed invasion In an attempt to demystify Russia s re emergence as an international political force Vladimir Putin and Russia s Imperial Revival grounds its analyses in history It explores as far back as the establishment of the first Russian empire and regards Putin as a leader determined to establish a fifth imperial incarnation It provides a nuanced understanding of how Russia arrived at its current position through recent and distant internal and international events

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Vladimir Putin eBooks, including some popular titles.

FAQs About Vladimir Putin Books

What is a Vladimir Putin PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Vladimir Putin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Vladimir Putin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Vladimir Putin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Vladimir Putin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
