Voice Of The Thunder:

The Voice of Thunder Mirka M G Breen,2012-04-01 West Jerusalem early June 1967 the eve of war Ten year old Mira Levi and her best friend Gili Moser share an awful secret They have discovered a new radio station called The Voice of Thunder from Cairo Broadcasting in accented Hebrew it threatens the demise of their country their city and their families As the menace beats the drums of war on June 5th the danger becomes all too real Mira finds her own voice as she struggles to drown the distant terror of The Voice of Thunder In these first two weeks of June not only are Mira and Gili s lives changed forever but history will never be the same The Voice of the Thunder Laurens Van Der Post,2013-11-30 From the beginning Lauren Van Der Post has been aware of a dimension in life far longer and more significant than the outer eventfulness of everyday living His perception of life s mysterious power began with the Bushman the first people of his native Africa and grew in the universal imagery of dreams the fertile legends and stories of ancient civilization the intuitive teaching of prophets poets and other pioneers of human awareness In this book he has brought together two of his most deeply felt and far reaching essays and has extended their message with great imaginative insight exploring the potential in all men and women to acquire self knowledge and to live life according to its fundamental precepts *The Voice in the Thunder* Elizabeth Hunter,1975 **A Voice of Thunder** George Stephens,1998 Stephens was a black reporter for the black newspaper Weekly Anglo African when the Civil War broke out He joined the 54th Massachusetts the first black Union regiment Promoted to sergeant he stormed Battery Wagner with his regiment Surviving the Union defeat Stephens served with the 54th through the end of the war **Voices in Revolution** John A. Crespi,2009-07-29 China s century of revolutionary change has been heard as much as seen and nowhere is this more evident than in an auditory history of the modern Chinese poem From Lu Xun s seminal writings on literature to a recitation renaissance in urban centers today poetics meets politics in the sounding voice of poetry Supported throughout by vivid narration and accessible analysis *Voices in Revolution* offers a literary history of modern China that makes the case for the importance of the auditory dimension of poetry in national revolutionary and postsocialist culture Crespi brings the past to life by first examining the ideological changes to poetic voice during China s early twentieth century transition from empire to nation He then traces the emergence of the spoken poem from the May Fourth period to the present including its mobilization during the Anti Japanese War its incorporation into the student protest repertoire during China s civil war its role as a conflicted voice of Mao era revolutionary passion and finally its current adaptation to the cultural life of China s party guided market economy *Voices in Revolution* alters the way we read by moving poems off the page and into the real time and space of literary activity To all readers it offers an accessible yet conceptually fresh and often dramatic narration of China s modern literary experience Specialists will appreciate the book s inclusion of noncanonical texts as well as its innovative interdisciplinary approach The Great Commentary of Cornelius À Lapide ... Cornelius Cornelii a Lapide,1908 Children's Missionary Magazine of
