**Time in Practice** Mary Lynne Ellis, 2023-11-30 Time in Practice Temporality Intersubjectivity and Listening Differently is an original exploration of diverse ways in which individuals live time consciously and unconsciously Challenging the psychoanalytic emphasis on the past as determinative Mary Lynne Ellis explores the significance of present and future dimensions of individuals experiences which catalyses change in the analytical relationship Through critical analyses of the theorizing of Freud Jung Klein Winnicott and Lacan Ellis highlights the limitations of spatial metaphors binaries of inner outer in addressing the socio political and historical specificity of patients

experiences including questions of identity and discrimination She explores how intersectional and interdisciplinary perspectives allow for the development of new interpretations of temporality intersubjectivity language embodiment in analytical practices Ellis reflects on the dynamism of conceptualizations emergent in autobiography fiction phenomenological and postmodern philosophy gender post colonial queer and cultural studies for contemporary relational psychoanalytic practices This revised and updated edition includes discussion of experiences of loss vulnerability mortality inequalities and powerlessness associated with the profound impact of the spread of the coronavirus climate change and the Ukraine war It also includes a new chapter on mourning time and identities The book will be of interest to psychotherapists art therapists counsellors psychologists and those working in the fields of gender sexuality class race and post colonial studies literature and allied disciplines

Philosophy Beyond Time Dr. R. Saradha, Ms. S. Sherin Fathma, 2025-09-13 In a world driven by constant innovation rapid communication and unprecedented change there remains an enduring human quest the search for wisdom that transcends time This quest finds its most profound expressions in philosophy particularly the ancient philosophies of India which continue to illuminate the path toward a balanced ethical and meaningful life

*Unlearning the Soviet Tongue* Natalia Kovalyova, 2014-09-24 How do countries democratize What route does the way out of totalitarianism take Students of Russian politics have pursued answers to these questions by surveying Russians on a variety of attitudes beliefs norms and practices This book attends to political discourse to demonstrate how it creates and constraints political opportunities It examines an important period of Russian political history from Boris Yeltsin's second presidential election in 1996 when democracy was pronounced victorious through its gradual slide toward authoritarian practices during Vladimir Putin's initial two terms in office and to the election of his protégé Dmitry Medvedev in 2008 This analysis challenges the assertions of Russian democracy as doomed by the governing rationalities of the elites Likewise it refutes the notion of Russians as an apathetic nation in chronic need of a strong hand It argues that if we are to understand how Russia lives how it endures and how it can change we need to pay attention to the discourses that shape Russian political identities and the nation's political future

Across Time and Space Martha Marenof, 1968

Whispers Across Time Stuart Coates, 2012-05-31 The first time Tiffany Abernathy travels through time is in 1898 right before her parents are killed An automobile runs their carriage off the road Tiffany is thrown into a nearby tree while her parents plunge to their deaths at the bottom of a ravine As Tiffany hangs from its limbs the tree is struck by lightning strangely Tiffany finds herself transported decades into the future It won't be the last time Although Tiffany eventually returns to 1898 in 1910 an even bigger shock comes her way Directly following her wedding an electric shock sends her to the year 2011 Tiffany understands what has occurred but her great granddaughter Kate Dixon does not Suddenly Kate finds herself transported to the year 1910 Not only that but she is inhabiting the body of Mrs Tiffany Abernathy Nichols A modern science experiment has created a black hole deep beneath the surface of Portland Maine Time travel occurs through this black hole but the ramifications are

much more severe than body swapping Because of the black hole the trajectory of Earth in 1910 has been thrown into the path of Halleys Comet and certain destruction Will Tiffany and Kate be able to fix what has been done or will they also die each trapped in the body of the other

**Hands Across Time** Amanda J Harrington,2013-09-21 Hands Across Time tells the story of Ernestine and her life before and during the First World War In Letters from an Edwardian Lady Ernestine receives a strange letter and against her better judgement she answers it So begins an unusual and heartfelt friendship between two women separated by time but held together by the bonds they form through their letters In Ernestine s War Ernestine waits for news as her husband fights in the War She confides in her diary the only place where she does not have to be strong in the face of adversity The New Daughters continues where Ernestine s War ends telling the story of Thomasina and her sister Georgina With their father dead and their mother ill the girls have no choice but to become part of a new family and are sent to live with their Aunt Ernestine Thomasina s letters to her controlling mother tell the story of how she grows into a strong young woman who finally realises she has a family it is safe to love
