Voices Of War:

Voices of War Donna Orwin,2025-10-30 *Voices of War The Russian Experience* is a collection of historical literature containing pieces that focus on the mentality of warriors and observers of war in Russian culture over time and the attitude of society toward war and warriors The first volume of this two volume series includes records from the Kievan Rus to the nineteenth century providing a wealth of understanding about how Russians viewed their experience of war *The Voices of War Heroines: Sexual Violence, Testimony, and the Bangladesh Liberation War* Fayeza Hasanat,2022-02-14 Examining the experiences of the wartime rape survivors of Bangladesh from the perspective of social theory of trauma this book reads the testimonies of war heroines as documented by Neelima Ibrahim 1921 2002 and argues that even though their trauma was not represented in a manner to invoke collective recognition and proper commemoration these women defied to be branded as victims They fought back to regain their lost honor and managed to cope with trauma and in the process learned to stand up as brave heroes resisting all odds With this book I am honoring my debt to the women warriors who wrote and rode a nation s trauma in through their bodies

Landscapes and Voices of the Great War Angela K. Smith,Krista Cowman,2017-02-03 This volume continues the recent trend towards expanding definitions of war experience through considering a range of different landscapes and voices Not all landscapes were comprised of trenches and barbed wire Voices supporting or dissenting were many and varied Collectively they combine to offer fresh insights into the multiplicity of war experience alternate spaces to the familiar tropes of mud and mayhem
