## **White Family:**

**Genesis of the White Family**, 1920      **The White Family** Maggie Gee, 2022-03-03 Alfred White a London park keeper rules his home with a mixture of rigidity and tenderness that has estranged his three children For years Alfred s daughter Shirley and her black partner Elroy have avoided her comically ignorant younger brother Dirk who admires his father and hates people of colour But family ties are strong when Alfred collapses on duty one day all the children rush to be with him The scene is set for bloodshed forcing Alfred to make a climactic choice between justice and kinship Exploring the roots of racism in British society *The White Family* traces what happens when a family reaches breaking point after years of love and hate violence and polite silence This twentieth anniversary edition includes an introduction by Bernardine Evaristo and a note from the author revealing the story behind this contemporary classic SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION AND THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD In this ground breaking new novel Maggie Gee bravely and uniquely explores the nuances of racism from the perspective of the perpetrators within the context of family relationships The resulting work is a brilliant depiction of British society at the end of the twentieth century Bernardine Evaristo author of *Girl Woman Other* Outstanding tender sexy and alarming Jim Crace Courageous honest powerfully real The Times Gee is unflinching in her exploration of the causes and consequences of racism The Observer *The White Family* points to new directions in British writing Full of power and passion as well as some timely warnings it deserves the widest possible readership Literary Review A transcendent work Daily Telegraph A triumph of hope over despair reconciliation over bitterness an unashamedly contemporary novel that embraces the ideological and emotional chaos of our time The Independent An audacious ground breaking condition of England novel that delves for the roots of xenophobic hatred and violence in the English hearth *The White Family* is finely judged and compulsively readable Its head on scrutiny of the uglier face of fair Albion is the more impressive for its rarity in British fiction The Guardian      *The Wallace-White Family: Images, Letters, and Legacies* Richard L. White, 2023-02-22 In *The Wallace White Family Images Letters and Legacies* Richard White takes an innovative approach to connecting with his 16 great great grandparents 8 great grandparents and 4 grandparents plus one Using black and white photos from the 1860s to the 2020s White uses brief biographies as springboards for letters to his ancestors He asks his great great grandparents Alexander McRobbie and Wilhelm Christian Sauer why they left their native Scotland and Germany in the 1850s and what it was like to settle in their adopted communities of Milford New Hampshire and Brooklyn New York The answers to Whites questions about his relatives lives their decisions and motivations their triumphs and sorrows are lost in time and in the distant past But the very act of posing the questions and imagining their answers gives White a profound sense of engaging in conversation with his ancestors He feels closer to them than ever before and this is the hope he shares with his readers      **The History of the White Family, Descended from John White of Isle of Wight County, Virginia** James B. Tharps, 2017-10-03 Weaving together personal stories history and analysis Same Family Different Colors explores the myriad ways skin color politics affect family dynamics in the United States Colorism and color bias the preference for or presumed superiority of people based on the color of their skin is a pervasive and damaging but rarely openly discussed phenomenon In this unprecedented book Lori L Tharps explores the issue in African American Latino Asian American and mixed race families and communities by weaving together personal stories history and analysis The result is a compelling portrait of the myriad ways skin color politics affect family dynamics in the United States Tharps the mother of three mixed race children with three distinct skin colors uses her own family as a starting point to investigate how skin color difference is dealt with Her journey takes her across the country and into the lives of dozens of diverse individuals all of whom have grappled with skin color politics and speak candidly about experiences that sometimes scarred them From a Latina woman who was told she couldn't be in her best friend's wedding photos because her dark skin would spoil the pictures to a light skinned African American man who spent his entire childhood trying to be Black Tharps illuminates the complex and multifaceted ways that colorism affects our self esteem and shapes our lives and relationships Along with intimate and revealing stories Tharps adds a historical overview and a contemporary cultural critique to contextualize how various communities and individuals navigate skin color politics Groundbreaking and urgent Same Family Different Colors is a solution seeking journey to the heart of identity politics so that this more subtle cousin to racism in the author's words will be exposed and confronted White Family White family, 1842 This collection contains correspondence addressed to Horatio Nelson White of Panton Addison County Vt or his son Friend Adams White from family members between 1842 and 1860 The letters are from White's brothers Artemas Hiram and Henry George and his father Ebenezer They focus on family matters including the health of family members family relations the family business and farm and paying debts They also mention local and national events including a bridge collapse colera epidemics a state fair presidential elections and the California gold rush **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954**, 2002 **The American Catalogue**, 1905 List of Family Genealogies in Library of Connecticut Historical Society Connecticut Historical Society.
