White Fang Annotated Jack London, 2021-04-25 Gr 2-4 London's novel portrays the interior life of mistreated part wolf White Fang while exploring the fundamental nature of wild animals and the brutality inherent in vast Alaskan landscapes and inside men's hearts It does not seem suitable reading material for primary grade children and Lutin's picture book adaptation does not make an effective argument for the attempt From the first page in which White Fang's half dog mother runs with her mate One Eye Lutin falters London revels in detailing natural impulses and viciousness but this adaptation betrays his text with a ludicrous statement about the pair's love for one another Later pages similarly fail to capture the spirit of London's harsh study of instinct and domestication
