White House Nannies:

White House Nannies Barbara Kline, 2006-05-04 As president of Washington's premier nanny placement agency White House Nannies Inc Barbara Kline has spent the last twenty years handpicking and delivering nannies to elected officials cabinet members advisers to the President and the media who report on their every move In this hilarious account of her life in child care Kline discloses the mayhem that ensues when these powerful parents find themselves at the mercy of tiny tyrants and the nannies who offer their only hope of salvation From finding the perfect nanny to firing the perfect nanny from refereeing mommy nanny disputes to keeping mum about family secrets Kline casts a keen eye on one of the most complicated relationships under the sun that between extremely busy people and their nannies Following the major events that launch powerful D C parents into parenthood discovering they're pregnant hiring a fabulous nanny giving birth hiring a second nanny in a pinch when the first one is nanny napped this book goes behind closed doors in our nation's capital to reveal the laughter and of course the tears involved when overworked professionals attempt to raise a child *The Nanny Diaries* meets *Primary Colors* in this delightful ride on the bottle and bib strewn Beltway **Insiders' Guide® to Washington, D.C.** Jason Rich, 2010-01-26 Majestic monuments and memorials Renowned museums Top notch restaurants and hotels A truly world class town A personal practical perspective for travelers and residents alike Comprehensive listings of attractions restaurants and accommodations How to live thrive in the area from recreation to relocation Countless details on shopping arts entertainment and children's activities *Legal Admissions*, 1997 *Legal Admissions* U.S. Commission on Immigration Reform, 1997 **DC Baby** Sarah K. Masterson, 2008-09 *How to Hire a Nanny* Guy Maddalone, 2012-06-01 For more than 25 years Guy Maddalone and his company GTM Household Employment Experts have assisted countless families with finding the right help to meet their needs In *How to Hire a Nanny* Guy passes on the same invaluable advice he's given to his clients Readers will find information on how to hire manage and retain household employees as well as sample interview questions offer letters and job descriptions This new edition will feature updated information on employment laws and the best practices for finding help online *Nanny Knows Best* Katherine Holden, 2013-09-01 Not quite part of the family and more than just an employee idealised and demonised the nanny has always had a difficult role in family life Any discussion of nannies arouses strong emotions in those who have employed them and reveals a sometimes shocking range of experiences both for the nannies and for the children they looked after Winston Churchill as a child rarely saw his mother and idolized his nanny paying for fresh flowers to be maintained on her grave and keeping her portrait by his bedside till he died A nanny to the one of the principal landowning families in Dorset nearly starved their treasured heir to death while a Suffolk nanny found parting from one of her charges so traumatic that she suffered a mental breakdown This book weaves personal stories viewed through the eyes of nannies mothers and children into a fascinating cultural history of the iconic British nanny Katherine Holden goes beyond the myths to discover where our

tradition of employing nannies comes from and to explore the ways in which it has and has not changed over the past century From the Norland Nannies method and the magical Mary Poppins to the terrifying breach of trust in films *The Nanny* and *The Hand that Rocks the Cradle* to today's child tamer Supernanny our culture has alternately welcomed and rejected this approach to child care The tales told in this history reach to the heart of the nanny dilemma that parents still struggle with today

Women in Magazines Rachel Ritchie, Sue Hawkins, Nicola Phillips, S. Jay Kleinberg, 2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women's experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women's contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia
