White Hunters

White Hunters:

White Hunters Brian Herne,2001-06 This story of the great African safaris evokes the harmony that once existed between hunters and the elephant lion leopard buffalo and rhino that roamed East Africa in large numbers before poaching and politics intervened The author argues that there is an intricate connection between hunting and conservation and evidence that elephant and rhino populations are beginning to rebound after years of devastation

White Hunters Brian Herne,2014-04-08 Brian Herne s *White Hunters* The Golden Age of African Safaris is the story of seventy years of African adventure danger and romance East Africa affects our imagination like few other places the sight of a charging rhino goes directly to the heart the limitless landscape of bony highlands desert and mountain is as Isak Dinesen wrote of unequalled nobility *White Hunters* re creates the legendary big game safaris led by Selous and Bell and the daring ventures of early hunters into unexplored territories and brings to life such romantic figures as Cape to Cairo Grogan who walked 4 000 miles for the love of a woman and Dinesen s dashing lover Denys Finch Witnesses to the richest wildlife spectacle on the earth these hunters were the first conservationists Hard drinking infatuated with risk and careless in love they inspired Hemingway s stories and movies with Clark Gable and Gregory Peck
