**National Security and United States Policy Toward Latin America** Lars Schoultz, 2014-07-14 Lars Schoultz proposes a way for all those interested in U S foreign policy fully to appreciate the terms of the present debate To understand U S policy in Latin America he contends one must critically examine the deeply held beliefs of U S policy makers about what Latin America means to U S national security Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Russia, China and the Revisionist Assault on the Western Liberal International Order* Gerlinde Groitl, 2023-05-22 This book analyzes Russian and Chinese revisionism in the face of US and Western post Cold War liberal international order building and asks why both powers have turned revisionist in the late 2000s The study develops a neoclassical realist model of international order building and contestation and posits to view revisionism as a strategic choice States go revisionist if the status quo international order threatens their vital security needs broadly defined not only as territorial security but also political economic normative and ontological and if they have the means to challenge the undesirable status quo Russia and China were both unhappy with the post Cold War international order of American designs but had to opt for accommodation in the 1990s and early 2000s strategic accommodation in the Chinese case resentful accommodation in the Russian case before revisionism became even more of a necessity and a real policy option from the late 2000s onward constructive revisionism in the Chinese case destructive revisionism in the Russian case The author calls for a policy of neo containment to counter Moscow s and Beijing s efforts to game and erode the international order

**The Chomsky Reader** Noam Chomsky, 2010-11-10 The Chomsky Reader brings together for the first time the political thought of American s leading dissident intellectual arguably the most important intellectual alive The New York Times At the center of practically every major debate over America s role in the world one finds Noam Chomsky s ideas sometimes attacked sometimes studiously ignored but always a powerful presence Drawing from his published and unpublished work The Chomsky Reader reveals the awesome range of this ever critical mind from global questions of war and peace to the most intricate questions of human intelligence IQ and creativity It reveals the underlying radical coherency of his view of the world from his enormously influential attacks on America s role in Vietnam to his perspective on Nicaragua and Central America today Chomsky s challenge to accepted wisdom about Israel and the Palestinians has caused a furor in America as have his trenchant essays on the real nature of terrorism in our age No one has dissected more graphically the character of the Cold War consensus and the way it benefits the two superpowers or argued more thoughtfully for a shared elitist ethos in liberalism and

communism No one has exposed more logically America's acclaimed freedoms as masking irresponsible power and unjustified privilege or argued quite so insistently that the free press is part of a stultifying conformity that pervades all aspects of American intellectual life In a lengthy interview with the editor Chomsky discussed his thought in the context of his personal history [White Paper Whitewash](#) Jomo K. S. (Jomo Kwame Sundram),1988 *A Drop of Treason* Jonathan Stevenson,2021-05-21 As the first agent to publicly betray the CIA Philip Agee was on the run for over forty years a pariah akin to Edward Snowden Agee revealed in spectacular detail what many had feared about the CIA's actions but he also outed and endangered hundreds of agents Agee relentlessly opposed the CIA and the regimes it backed whether in America or around the world In Jonathan Stevenson's words Agee became one of history's successful viruses undeniably effective and impossible to kill In this first biography of Agee Stevenson will reveal what made Agee tick and what made him run
