

Advance praise for Norman Rush's
WHITES

"Norman Rush is unusually gifted with a sense of place, and deep insights far beneath the wit and irony of these stories. The best writing about Americans in Africa since Paul Theroux's *Jungle Lives*, years ago."
—Nathan Cozzetta

"I read these stories wonderfully well written. Their very humor and compassion bring to life middle-class Americans trying to lead a normal existence in the back of beyond."
—J. M. Cozzetta

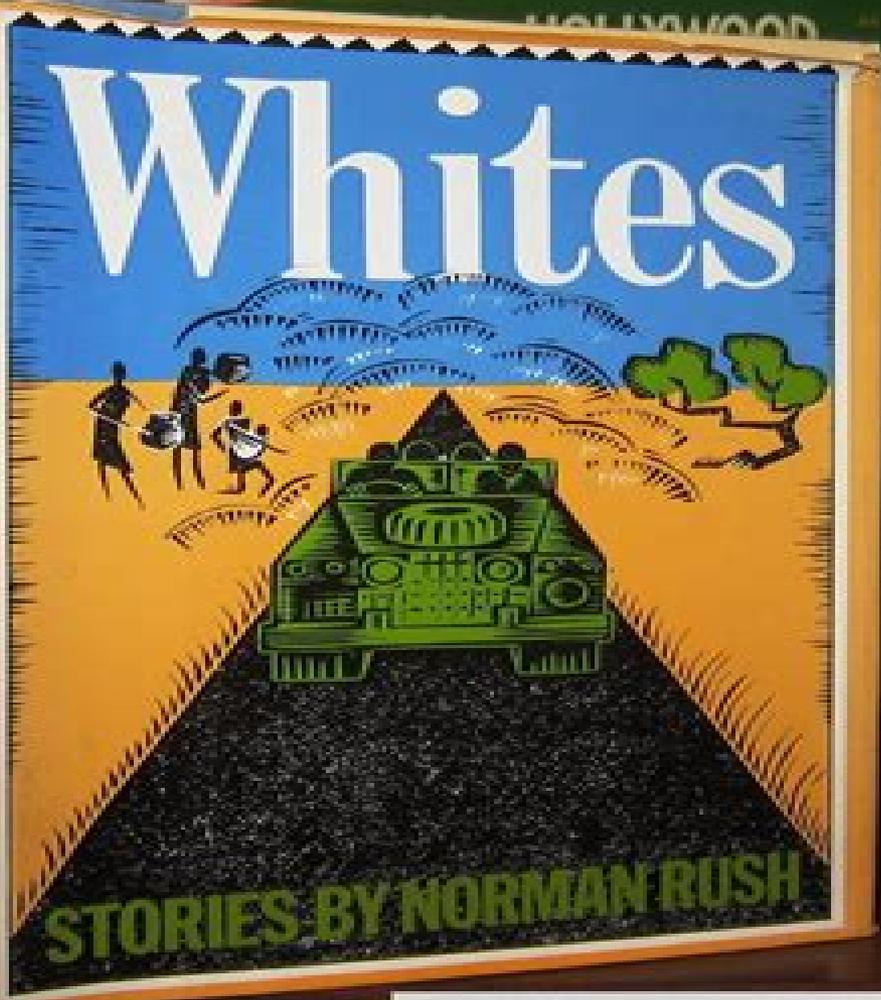

"A polished and splendid collection of stories about modern Africa that demands to be read slowly and regarded weightily. This is the spirit of Nathaniel Hawthorne in Africa, and if Mr. Rush is deserving of immunity for his delinquencies, he is also understanding of the small delinquencies that remain for each man and woman to discover. It is impossible to name favorites here; they are all brilliant, witty, careful, seriously wise stories that walk around the chosen matters of civilization and laugh."
—JENNIFER BRETHERTON

"For many years Norman Rush has been writing some of the best short stories going, novel fiction remarkable for their tone of relaxed irony, and for depicting the ugly, ugly cant endemic to most contemporary political fiction. This shows Rush at his strongest best—but even more, it represents one of those rare moments of a particular witness, a historical moment, and an exceptional witness as *Identities* before or *Marginalia* South Sea Islands. Norman Rush's *Whites* is as barely seen, as unobtrusively imagined."
