Who Am I This Time:

Who Am I this Time? Kurt Vonnegut, 2014 The subject of this play as we are told at the outset is love pure and complicated Set on the stage of The North Crawford Mask Wig Club the finest community theatre in central Connecticut three early comic masterpieces by Kurt Vonnegut Long Walk to Forever Who am I This Time and Go Back to Your Precious Wife and Son are sewn together into a seamless evening of hilarity and humanity With a single set wonderful roles for seven versatile actors and Vonnegut s singular wit and insight into human foibles this is a smart delightful comedy for the whole family

WHO AM I? Tony, 2013-06 This book was written during some of the most intense compounding and suffering moments that I experienced What is meant literally to be head pounding and raging emotional cycles of extreme bliss to chaos and back This book is a creation through me of that nature and the strength for which is preserved within it It is a story of survival knowledge and wisdom An expression of the catacomb of life force that is also the representation of us all not as a tomb but as a vault of knowledge experiences and wisdom built on the ages of human existence from the beginning to the end I want you all to know that in the end I found gratitude for the experience even though the vortex was the most horrifying place to go Many have suffered its fate to a dismal ending of suicide yet I am a survivor one who has converted its negative energies to the positive force This force that is passed from one to another looking to focus in had found itself challenged by my own wit desires and struggles to find the truth The knowledge of its existence and the beholder of its cycle should be known by all of us so that it can be nourished for the good of humanity not the control of them The Satanist views of the days past have been inverted for the enlightenment has taken hold and will endure for the future existence of humanity My experience was like the Manchurian candidate 7 billion fold God bless him who has the strength to withstand this vortex in the next cycle God bless you all

Who Am I? Bebe Byrne, 2005-03 An Autobiography of myself from a child to adulthood Communicating from a very young age with a guide named Jane and gradually many others This showed me different pathways of knowledge At times very harsh learning how to help other that have suffered within their sadness and bereavements in which I suffer as well For me to understand others as a child witnessing many misty visions of people that would accompany human beings walking among the road as I became older realizing that not all would have these visions of people that had passed away to spirit world In my latter years teaching development for others in my groups that I ran locally and in London to witness the pupils face of delight when they saw their guide in a vision through meditation and communicating to their loved ones in the spirit world
