Who Speaks For God

A.W. Tozer

Who Speaks For God:

Voice of a Prophet A.W. Tozer, 2014-05-29 During his ministry which included extended pastorates in Chicago and Toronto Dr Tozer was often referred to as a prophet That doesn't mean he predicted future events but rather he spoke God's truth to believers and the culture even if it meant disrupting the status quo Even in the Bible prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future The encouragement in Voice of a Prophet is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book Using the lives of such prophets as Elijah Elisha and John the Baptist Tozer underscores the importance of the ministry of the prophet in our world today Who Speaks for God? Charles W. Colson, 1985 The author writes in the light of God's Word I've seen with growing clarity the stark emptiness of the world without Christ So I have felt an increasing burden to challenge its false and bankrupt values to help keep others from the futile search that so consumed my early years

Surprised by the Voice of God Jack S. Deere, 2010-06-15 If You Believe Miraculous Gifts Have Ceased You're in for a Big Surprise What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In Surprised by the Power of the Spirit Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I could place it in the hands of every conservative evangelical James Robison Life Outreach International *When People Speak for God* Henry E. Neufeld, 2007-06-15 People with faith have always struggled with whether to believe someone who claims to have a message from God Those with special interpretations of Scripture often claim just as much authority as those who claim to be prophets Writer and Bible teacher Henry Neufeld wrestles with the question of how to know what to believe Christian **God, Revelation and Authority: God Who Speaks and Shows (Vol. 4)** Carl F.
