Whoa, Matilda! Janet Lambert, 1944 DARKNESS Guillaume Mwamba, 2021-12-09 PROLOGUE Darkness covered the whole world with destruction desperation misery and heartbreak From the ashes three humans strong enough to defeat Darkness emerged The Hitwoman Plays Courier JB Lynn, 2021-12-16 No good deed goes unpunished When Maggie Lee helps an old man who's fallen she ends up working as a courier for his well to do son Proud of herself for landing a legitimate job that doesn't involve a windowless office Maggie ignores red flags and the concerns of God that all may not be what it seems She's too busy traversing the landmines of literacy involving a certain mobster's grandson and juggling the two men who both want more from their relationships with her Maggie's already stressed out when things go wrong really wrong with a delivery A man's dead and the police know about her involvement with him With the help of her pets and the two men vying for her affections Maggie must figure out what the heck is going on or God may be lost forever **Connect the Dots** Keith Calabrese, 2020-05-05 Liar Spy meets The Parker Inheritance in this whimsically complex story about human connection and the power we all have to determine our own fate Is there anything more random than middle school Sixth graders Oliver and Frankie don't think so Their first few weeks have been full of weirdness lunchtime thievery free beef jerky and Matilda the mysterious new girl who knows everything about them but has a lot to learn about making friends But what if none of it is random at all What if a reclusive genius is keeping an eye on them and making sure the tiny pieces of his puzzle fall into place one by one until strange seemingly unconnected incidents snowball totally out of control Imagine the odds First a cardamom shortage takes down the school bully Then a giant dog leads to some extracurricular spying Soon Oliver is being followed and Matilda is hacking the FBI And by the time they discover a gang of angry clowns and the world's largest game of Mousetrap an insanely brilliant plan has been set in motion that will change their lives forever Connect the Dots is an intricately plotted story about the power of human connection and a chain of coincidences so serendipitous they must be destiny at work Mark of the Wicked Georgia Bowers, 2021-08-10 A young witch tries to unravel the mystery of who is framing her for dark magic in Georgia Bowers' creepy YA debut fantasy Mark of the Wicked Magic always leaves its mark All her life Matilda has been told one thing about her magic You use only when necessary But Matilda isn't interested in being a good witch She wants revenge and popularity and to live her life free of consequences free of the scars that dark magic leaves on her face as a reminder of her misdeeds When a spell goes awry and the new boy at school catches her in the act Matilda thinks her secret might be out But far from being afraid Oliver already knows about her magic and he wants to learn more As Oliver and Matilda grow closer bizarre things begin to happen Animals show up with their throats slashed and odd markings carved into their bodies a young girl dies mysteriously and everyone blames Matilda But she isn't responsible at least not that she can remember As her magic begins to spin out of control Matilda must decide for herself what makes a good witch and discover the truth before anyone else turns up dead A breathlessly told consuming portrait of a witch's
