Digital Labour Markets in Central and Eastern European Countries Beata Woźniak-Jęchorek, Kamilla Marchewka-Bartkowiak, 2023-01-19 This book examines the impact of the COVID 19 pandemic on changing labour markets and accelerating digitalisation of the workplace in Central and Eastern Europe It provides an innovative and enriching take on the work experience from the pandemic times and discusses the challenges of ongoing changes in labour markets and workplaces in a way that is not covered by the extant literature The impact of the COVID 19 pandemic and digitalisation on labour market outcomes is analysed throughout 12 chapters by 34 labour market experts from various CEE countries Most chapters are based on empirical methods yet are presented in an easy to follow way to make the book also accessible for a non scientific audience The volume addresses the three key goals to better understand the impact of the COVID 19 pandemic on the adoption of workplace digitalisation in the selected labour markets in CEE countries and the potential trade offs facing those who do and do not have access to this benefit to complement the labour market research by incorporating the outputs of changing demand for skills to contribute new insight into policies and regulations that govern the future of work The book argues that the recent COVID 19 pandemic was a sombre reminder of the relevance and necessity of digital technology for a variety of sectors and market activities It concludes that to downside the risks of vanishing jobs as well as to minimise the threats and maximise the opportunities of digitalisation in CEE countries labour market partners need to consider an effective governance tool in terms of inclusive access to the digital environment re skilling and balanced regulations of the more problematic facets of digital work The book will be of interest to postgraduate researchers and academics in the fields of labour economics regional economics and macroeconomics Additionally due to the broader policy implications of the topic the book will appeal to policymakers and experts interested in labour economics The Introduction Chapters 4 and 12 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

The Military Marriage Manual Janelle B. Moore, Cheryl Lawhorne-Scott, Don Philpott, 2010-09-16 At a time when divorce and suicide rates are at record levels in the military The Military Marriage Manual Tactics for Successful Relationships is an invaluable aid to members of the military and their spouses and families The book presents advice for couples on a range of issues both extraordinary and mundane both those specific to military marriages and those common to all marriages such as the ceremony relationships with friends and family household responsibilities finances dealing with tension and conflict raising a family domestic violence deployment long periods apart injuries depression relocating and much more The information in the book is presented chronologically beginning from the day a couple decides to get married It follows them through the engagement ceremony and marriage and discusses the many issues that arise offering guidance on how to overcome them and strengthen a couple s marriage as well as their

relationships with those around them There is no better more comprehensive resource for those who are dealing with the pressures and problems unique to marriage in the military Casehandling Manual - National Labor Relations Board United States. National Labor Relations Board,1984 **The Future of Work in Developing Countries** Akbar Noman,Joseph E. Stiglitz,Arjun Jayadev,2026-03-03 One of the most pressing issues in development today is the employment challenge in low and middle income countries As more young people enter the labor force and as structural transformation unfolds amid deindustrialization technological disruption and global competition the question of how to create sufficient decent jobs has become central to the economic future of the Global South Although this is a shared challenge across developing regions it is particularly acute in Africa where rapid demographic change and urbanization are colliding with limited industrial expansion Bringing together leading international scholars *The Future of Work in Developing Countries* examines the employment problem from multiple perspectives Early chapters develop conceptual frameworks around corporations and the global hierarchy of production Subsequent contributions investigate the dynamics of structural transformation the role of firms in linking production and labor to surplus and the design of industrial and technology policies Later chapters turn to detailed case studies especially from Africa that illustrate the possibilities and limits of different growth paths and comparative insights from Asia and Latin America provide further perspective By combining rigorous theoretical analysis with grounded empirical research this book demonstrates that employment creation is not an automatic byproduct of growth but a political and institutional project It offers fresh insights for scholars of development political economy and economic history as well as for policy makers seeking strategies to promote inclusive transformation in Africa and beyond **CompTIA A+ Complete Study Guide** Quentin Docter,Jon Buhagiar,2019-04-10 The definitive Sybex guide to A certification fully updated for the latest exams *The CompTIA A Complete Study Guide Fourth Edition* is your ultimate preparation guide for Exams 220 1001 and 220 1002 Covering 100 percent of the objectives for both exams this book gets you up to speed on essential A knowledge and skills Master the critical competencies associated with hardware and software system maintenance troubleshooting connectivity and more with practical examples drawn from real world experience you ll develop the skill set employers demand in today s IT environment End of chapter reviews help you gauge your progress and stay on track for success while exam highlights give you a sneak preview of what to expect on the big day You also get access to the Sybex online test bank featuring electronic flashcards a searchable glossary and 4 practice exams to help you study from anywhere any time track your progress and test your understanding with interactive study tools CompTIA A certification is the industry leading standard for IT professionals Hundreds of companies require their computer technicians to hold this valuable credential Now in its fourth edition this revised and updated study guide includes expanded coverage of virtualization and cloud computing mobile hardware installation network security and more to reflect the latest changes in the A exam Providing all the information you need to earn your A certification this invaluable resource will help you Master the basics of hardware
