Solving Riddles and Untying Knots Jonas Carl Greenfield, 1995 Jonas Greenfield was one of the foremost epigraphers and biblical scholars of this generation This volume dedicated to Professor Greenfield by his students colleagues and friends reflects the broad spectrum of academic interests he pursued Bible Qumran epigraphy and Semitics Biblical Metaphor Reconsidered Job Y. Jindo, 2018-07-17 How do we understand the characteristically extensive presence of imagery in biblical prophecy Poetic metaphor in prophetic writings has commonly been understood solely as an artistic flourish intended to create certain rhetorical effects It thus appears expendable and unrelated to the core content of the composition however engaging it may be aesthetically or otherwise Job Jindo invites us to reconsider this convention Applying recent studies in cognitive science he explores how we can view metaphor as the very essence of poetic prophecy namely metaphor as an indispensable mode to communicate prophetic insight Through a cognitive reading of Jeremiah 1 24 Jindo amply demonstrates the advantage and heuristic ramifications of this approach in biblical studies **Impurity and Gender in the Hebrew Bible** Elizabeth W. Goldstein, 2015-09-17 Impurity and Gender in the Hebrew Bible explores the role of female blood in the Hebrew Bible and considers its theological implications for future understandings of purity and impurity in the Jewish religion Influenced by the work of Jonathan Klawans Sin and Impurity in Ancient Judaism and using the categories of ritual and moral impurities this book analyzes the way in which these categories intersect with women and with the impurity of female blood and reads the biblical foundations of purity and blood taboos with a feminist lens Ultimately the purpose of this book is to understand the intersection between impurity and gender figuratively and non figuratively in the Hebrew Bible Goldstein traces this intersection from the years 1000 BCE 250 BCE and ends with a consideration of female impurity in the literature of Qumran Ritual in Deuteronomy Melissa D. Ramos, 2021-04-19 Ritual in Deuteronomy explores the symbolic world of Deuteronomy s ritual covenant and curses through a lens of religious studies and anthropology drawing on previously unexamined Mesopotamian material This book focuses on the ritual material in Deuteronomy including commands regarding sacrifice prayer objects and especially the dramatic ritual enactment of the covenant including curses The book s most unique feature is an entirely new comparative study of Deut 27 30 with two ritual texts from Mesopotamia No studies to date have undertaken a comparison of Deut 27 30 with ancient Near Eastern ritual texts outside of the treaty oath tradition This fresh comparison illuminates how the ritual life of ancient Israel shaped the literary form of Deuteronomy and concludes that the performance of oaths was a social strategy addressing contemporary anxieties and reinforcing systems of cultural power This book offers a fascinating comparative study which will be of interest to undergraduate and graduate students in biblical studies classical Hebrew theology and ancient Near Eastern studies The book s more technical aspects will also appeal to scholars of the Pentateuch Deuteronomy Biblical Law Ancient Near Eastern History Mesopotamian Studies and Classics **A History of Ancient Near Eastern Law (2 vols)** Raymond Westbrook, 2003-08-01 The first comprehensive

When a Human Gives Birth to a Raven Rafael Rachel Neis, 2023-06-14 This book investigates rabbinic treatises relating to animals humans and other lifeforms Through an original analysis of creaturely generation and species classification by late ancient Palestinian rabbis and other thinkers in the Roman empire Rafael Rachel Neis shows how rabbis blurred the lines between the human and other beings This they did even as they were intent on classifying creatures and delineating the contours of the human Recognizing that life proliferates via multiple mechanisms beyond sexual copulation between two heterosexual male and female individuals of the same species the rabbis produced intricate alternatives This expansive view of generation included humans Likewise in parsing the variety of creatures the rabbis attended to the overlaps and resemblances across seemingly distinct species upsetting in turn unmitigated claims of human distinctiveness Intervening in conversations in animal studies queer theory trans theory and feminist science studies When a Human Gives Birth to a Raven provincializes sacrosanct ideals of reproduction in favor of a broader range of generation kinship and species offering powerful historical alternatives to the paradigms associated with so called traditional ideas

The Interpretation of the Hebrew Word אָדָם (People) in Samuel-Kings Luke Emehiele Ijezie, 2006 This study of the word people in the biblical context touches one of the central issues of biblical literature The author addresses the semantic and literary critical problems involved in interpreting the Hebrew word within the complex texts of 1 2 Samuel and 1 2 Kings While the word is often rendered by the English word people and its cognates in the modern languages it is also shown that the idea of people together with its semantic range in the modern usage is not identical to the ancient Hebrew Concerted effort is thus made to identify the basic factors and patterns that explain its meaning in various Hebrew contexts The study explains how expresses both Israel's identity as a secular polity as well as its identity as a religious entity The discussion is carried out in the light of a number of chosen texts and these are analyzed both synchronically and diachronically
