A Quest of Her Own Lori M. Campbell,2014-06-24 This collection of new essays seeks to define the unique qualities of female heroism in literary fantasy from Tolkien's *The Lord of the Rings* in the 1950s through the present Building upon traditional definitions of the hero in myth and folklore as the root genres of modern fantasy the essays provide a multifaceted view of an important fantasy character type who begins to demonstrate a significant presence only in the latter 20th century The essays contribute to the empowerment and development of the female hero as an archetype in her own right
