Lindlof, 1996-01-18 In today's media saturated world identities are no longer built solely within the close knit communities of family neighborhood school and work Today media are part of our world and therefore play an important role in the formulations of our identities or constructions of self In a truly postmodern mode Constructing the Self in a Mediated World not only brings together the usually segregated areas of interpersonal and mass communication but also incorporates works from scholars in sociology psychology and women's studies as well Each essay examines our understanding of self in a different context of mediated culture within a specific framework of interpretive theories such as critical theory social constructionist theory and feminism This volume provides insights into issues of self and identity in contemporary mediated culture Designed for advanced students and experienced researchers in communication both media and interpersonal sociology psychology and women's studies Constructing the Self in a Mediated World raises important questions and contributes greatly to its field **The Unyielding Clamor of the Night** Neil Bissoondath, 2005-01-01 Leaving his home in the prosperous north of his Southeast Asian island nation Arun an idealistic young teacher from a privileged background takes a job working with the poverty stricken inhabitants whose lives are profoundly affected by a civil war between the military and rebel insurgents **The Color of My Heart** Sarah Martin Byrd, 2012-09-26 Living in the foothills of North Carolina Laura Carter has it all a nice home wonderful adoptive parents two lovely teenage daughters and a to die for handsome husband As they celebrate freedom on the Fourth of July she's certain that nothing could ever shatter her perfect American life Or could it An unexpected letter from her great grandmother brings Laura face to face with her birth family At their first shocking meeting she receives a stack of diaries that trace a heartbreaking voyage from Africa to Jekyll Island Georgia via a slave ship Thanks to the missionary who lived with her ancestors in Africa and taught them how to speak and write English Laura holds in her hands a gripping record of their lives Could the realities of her mixed race heritage destroy her family Laura tries to live honorably but her husband resists and daughter Lakin has her own secrets Lurking in the shadows is a small group called the brethren The brethren's dirty deeds are meant to p **A Shot Story** David Borkowski, 2015-08-27 The botched robbery didn't do it Neither did the three gunshots It wasn't until he was administered

last rites that David Borkowski realized he was about to die at age fifteen A Shot Story From Juvie to Ph D is a riveting account of how being shot saved his life and helped a juvenile delinquent become an esteemed English professor Growing up in a working class section of Staten Island David and his friends thought they had all the answers They knew where to hang out without being hassled where to get high and what to do if the cops showed up But when David and his friend called in a pizza order so they could rob the delivery man things didn t turn out as they d planned Staring down the barrel of a gun David and his friend panicked and took off as the cop fired Convinced the cop was shooting harmless salt bullets David darted through lawns as the cop gave chase Much later when David was bleeding to death did the cops realize they had hit one of their own the son of a fellow cop Borderline illiterate at the time of the shooting David took his future into his own hands and found salvation in books But his attempts to improve his life were stymied by lack of familial support Bound on all sides by adults who had no faith in his ability to learn or to succeed David persevered and earned his Ph D Funny and poignant but always honest and reflective A Shot Story tracks David Borkowski s life before and after the accident and tells how his having been a rather unremarkable student may have been a blessing in disguise A wonderful addition to the working class narrative genre A Shot Story presents a gripping account of the silences of working class culture as well as the male subculture of Staten Island Through his heartfelt memoir Borkowski explores the universal lesson of turning a wrong into a rite of passage
