Something Breathing:

The Summoning Damon Lee, 2017-07-28 Agent Alex Monroe is a specialist for the FBI who deals with ritualistic murders. He's brought in on a case where he is strangely identified by name. As he and his team unravel the mystery surrounding the death of a well-known college professor and his wife in a brutal ritualistic crime, they begin to find there is more to the investigation than they ever imagined. Prior to his death, the professor James Burdock was studying ancient texts that revealed another world, a world beyond our own. He spent his life studying anthropology and history, diving into the ancient cultures of the past, and it soon becomes apparent that Burdock's studies were directly related to his death. In fact, this new case connects to an old one and reveals a deeper conspiracy that has the potential to threaten the entire world. What began as a ritualistic murder case turns out to be the first step in a process intended to open the door between hell and earth. As reality is tested and the supernatural becomes real, can Agent Alex Monroe and his team overcome the evil threatening our world? Faith, Spirituality, and Science are tested as the boundaries of reality unravel. Can anyone survive the Summoning?

Shamanic Secrets for Material Mastery Robert Shapiro, 1998-07-01 It is well known among the curious that Sedona, Arizona, and its surrounding regions have seen some of the world's all-time most intense UFO, paranormal, and spiritual activity. The question is why? More Things in Heaven and Earth Kiran Manral, 2022-12-29 When Kamla Malik's husband dies of a heart attack in Goa, she's devastated. Haunted by the lack of closure, she tries mediums, ancestors, and Ouija boards to help her establish contact. All she wants is a final goodbye. She tries to find him in the twisted labyrinthine worlds that he now inhabits, but does she really want him back, and worse, if she finds him, will he let her go? Or is she, as the doctors believe, living in the tunnels of her mind, making it impossible for her to distinguish hallucination from reality? Serendipitously, her eccentric and ailing maternal aunt invites her to visit at her splendidly isolated and crumbling villa in Goa. Here, Kamla meets Victor, her aunt's stepson. He stakes his claim over the villa, and with it over Kamla. While she accepts that Victor is here and now, why does Nihar continue to torment her? Is she doomed to be forever haunted by him? An exquisitely sinister tale of bereavement and the grey lands between the dead and the living, both within the mind and outside of it. More Things in Heaven and Earth is the horror of what happens when love, obsession, and betrayal collide. *The Darker Side to Dr Carter* S. J. Groves, 2014 A dark tale of hidden betrayal, lies, and secrets. A man determined to keep his darker interests out of sight, no matter the cost, that ends with terrible consequences, as this demon of man shows himself as the darkness of this evil deep inside comes forth to those closest to him, like his dearly beloved wife, Helena, and daughter, Anna, and those who dare cross this devil of a man. Rivulet of Darkness Albert B. Garcia, 2022-08-11 In 1979, young David De Le Cruz and his parents move out of their rented one-bedroom house in town to be closer to his father's job. David's dad takes care of a local farm just outside of Hanford, California. David thinks moving to the country will be a new beginning to a great life until something unsettling starts to happen. Late at night, David experiences strange manifestations, unsure of what they mean and what is

happening to him He is surrounded by horrors and haunted by a darkness that opens a world he is forced to face David s Aunt Vera his father s older sister uses her spiritual beliefs through the practice of witchcraft to help him face the evil that feeds off of his fear Her efforts are not enough Flashes of images flow out from his mind like small streams of remembered nightmares These dreams become David s window to the outside world while trapped inside his own rivulet of darkness
